

REMOVING CIVILIANS FROM METZ

PRESIDENT WILL INAUGURATE LIBERTY LOAN

To Speak Tomorrow Night at Opening of Drive  
1,500,000 NOW READY TO ISSUE  
Portland, Oregon, Has Already Raised Over Half Its Quota

WASHINGTON, Sept. 25.—President Wilson will launch the fourth Liberty loan campaign with an address Friday night in New York City. The President previously had decided that he could not leave Washington to make an extended speaking tour on behalf of the loan, but he consented today to speak on the eve of the opening of the three weeks' drive.

Final preparations for the campaign went steadily ahead today. Treasury department officials took cognizance of wide-spread reports that no subscriptions of less than \$200 would be accepted for the fourth loan and that no \$100 bonds would be issued.

Officials pointed to the fact that a larger proportion of \$50 bonds have been printed this time than ever before and to the additional fact that loan committees have instructions to make strong efforts to sell these "baby bonds" to persons of very small means.

About 1,500,000 bonds, mainly of small denominations, have been finished by the bureau of printing and engraving today and these were on their way to federal reserve district headquarters. The first shipments went yesterday to San Francisco and other distant points.

First, \$1,000,000  
BALTIMORE, Md., Sept. 25.—The first subscription here to the fourth Liberty loan came today. It was for \$1,000,000 and was followed by another one of \$750,000. Names of subscribers were not divulged.

Raises Over Half  
PORTLAND, Ore., Sept. 25.—Great white footprints, painted on every sidewalk and cross street in the downtown section of this city, by hundreds of members of the home guard, who worked most of the night, lead today to Liberty Temple, where subscriptions are being taken for the Liberty loan. Red signs painted on the sidewalks every twenty feet said: "Fill the Liberty."

Portland's quota is \$15,000,000. Efforts to raise this by the beginning of the nation-wide campaign had resulted today in approximately \$10,000,000 worth of the bonds being pledged.

South of State  
LOS ANGELES, Cal., Sept. 25.—The Southern California quotas for the fourth Liberty loan were announced today by R. H. Moulton, campaign manager, as follows:

Imperial county, \$1,567,460; Inyo, \$1,540,000; Orange, \$2,507,100; Riverside, \$1,540,000; San Bernardino, \$2,739,000; San Diego, \$5,182,000; Santa Barbara, \$2,086,250; Los Angeles, \$52,215,750.

The quota of Los Angeles city was set at \$19,378,350, and the balance of the amount allotted the county was divided among the remaining cities and the country districts.

The quota of southern California as a whole was announced as \$72,067,350.

To Take \$2,000,000  
PITTSBURGH, Sept. 25.—Two million dollars worth of the fourth Liberty loan bonds will be purchased by the National Slovak society. This decision was announced tonight by the supreme assembly of the organization in session here. Several hundred members of the society are members of the society.

HIGHEST PRICE FOR RAW SKUNK SKINS  
NEW YORK, Sept. 25.—What is said to be the highest price ever paid in this country for raw skunk skins was obtained at the fall auction of furs here today when the first lot offered brought \$9 each.

A "break" for fur, auctioned for the benefit of the Red Cross brought \$500. Total sales for the last three days amounted to \$1,700,000. Prices for house cat were 50 per cent higher than last spring and those for ermine 35 per cent higher.

URGENT MINIMUM PRICE FOR HOGS  
WASHINGTON, Sept. 25.—Quarantine to farmers of a minimum price of \$15.00 a hundred pounds for hogs during the war is recommended by the national agricultural advisory committee in a report submitted today to the food administration.

Though the power to fix definite prices for hogs or for corn, the report points out that prices may be regulated to a great extent through controlled orders for the army, navy, allies and export trade.

ROBERT GODWIN LOST IN BRITISH PICARDY DRIVE

ROBERT GODWIN.

Memorial services in honor of Robert Godwin, for eight years a resident of Fresno county, will be held at St. James Pro-Cathedral tomorrow morning at 10 o'clock. Young Godwin was killed August 9 in the fighting at Fresno, near Amiens in northern France.

NOTED ARCHBISHOP IRELAND IS DEAD

Remarkable Force in American Northwest for National Cohesion  
ST. PAUL, Minn., Sept. 25.—Archbishop John Ireland of the St. Paul diocese of the Roman Catholic church died at 3:55 a. m. here today, after a long illness of heart disease and stomach trouble. He was 59 years old.

A score of prominent Catholic clergymen were at the bedside of the prelate, who for many years was a vigorous and commanding figure in the religious and civic development of the Northwest.

For three days Archbishop Ireland's physicians kept their patient alive by the use of oxygen. Three times he rallied from seemingly fatal sinking spells. Late last night the final lapse came.

Wholly unconscious, his pulses grew weaker and weaker. In the darkness when where priests and nuns softly chanted prayers for the dying—where candles flickered by the bedside, the end came without a perceptible sign.

Arrangements for the funeral will not be completed until word is received from a number of church dignitaries who attended the funeral of Cardinal John M. Farley in New York yesterday.

GASOLINE ONLY IN DAYLIGHT HOURS

Sales to Be Limited Hereafter to 6 A. M. to 6 P. M.  
SAN FRANCISCO, Sept. 25.—Gasoline and other gasoline and distillate selling and distributing agencies throughout the Pacific coast have been requested to limit their sales to the hours between 6 a. m. and 6 p. m. to conserve fuel and released man-power for the war.

The big oil companies already have arranged to close their service stations between 6 p. m. and 6 a. m. for these reasons, beginning October 1, Prof. Folson said.

SPANISH GRIPE NOW FOUND IN TWENTY-SIX STATES

Nation to Help Local Authorities to Fight New Disease  
TOTAL IN ARMY CAMPS 29,002  
Thousand Deaths in New England in Ten Days

WASHINGTON, Sept. 25.—Spanish influenza has spread over the country so rapidly that officials of the public health service, war and navy departments and Red Cross conferred today on measures to help local communities in combating the disease.

Surgeon General Rupert Blue of the public health service said tonight that latest reports showed that the influenza had made its appearance in twenty-six states from the Atlantic to the Pacific. The disease is epidemic in New England, where it first made its appearance.

Influenza has appeared on the Pacific coast, in Washington and California, but is not yet epidemic there. It also has been reported in Minnesota and Iowa, but with few cases. East of the Mississippi, however, there are few states where it has not been found.

The disease continued to spread today in army camps, 29,002 new cases being reported to the office of the surgeon general of the army up to noon yesterday.

The total reported from the camps today was the largest in any one day and brought the total for all camps to 29,002. The number of pneumonia cases reported among the soldiers since the outbreak of the influenza epidemic September 13, is 2,313 and the number of deaths since that date is 520 with 153 reported today.

Fewer at Camp Devens.  
For the first time since the outbreak, the number of new cases reported from Camp Devens, Mass., was lower than the number reported from another camp.

At Camp Devens, 512 new cases of pneumonia were reported today with seventy-two deaths. Camp Dix reported forty-one new cases of pneumonia.

At Camp Devens, 512 new cases of pneumonia were reported today with seventy-two deaths. Camp Dix reported forty-one new cases of pneumonia.

At Camp Devens, 512 new cases of pneumonia were reported today with seventy-two deaths. Camp Dix reported forty-one new cases of pneumonia.

At Camp Devens, 512 new cases of pneumonia were reported today with seventy-two deaths. Camp Dix reported forty-one new cases of pneumonia.

RESENT ATTEMPT OF KAISER TO USE MASONIC ORDER

ST. LOUIS, Sept. 25.—Attempts of the Kaiser to use the Masonic order to abet German peace propaganda were vigorously denounced in a resolution unanimously adopted tonight by the supreme council, Southern Life Southern Jurisdiction, in convention here.

The resolution states that "inasmuch as the terms of peace shall never be considered by Masons, because it is an inconceivable peace, only terms of peace ensuring a lasting peace, such as the American proposal, shall be given consideration."

The resolution explains that the Masons knew nothing of the German scheme to use the order for peace propaganda last August.

FORM JURY TO TRY PRIEST FOR DISLOYAL WORDS

OMAHA, Neb., Sept. 25.—A jury was completed today at Norfolk, Neb., in the trial of Father William Windolph, pastor of Crighan Catholic church, accused of seditious statements. Father Windolph is charged with calling United States soldiers "cowards" and that this war was started by a few rich men.

Other counts charge the priest with attempting to cause disloyalty, insubordination, mutiny, obstruction to recruiting and enlistments in the service, and uttering disloyal remarks.

NORTH AGREES TO UNION OF RUSSIA

Every Party But Bolsheviks to Be Included in Assembly  
WASHINGTON, Sept. 25.—News reached the state department tonight that the government of the north had agreed to the union of Russia.

The Bolsheviks are excluded from the governing which is attempted and supported by many members of the regularly elected assembly returned by the Bolshevik movement.

It also is reported that the Siberian Duma and the governments at Samara and Omsk have expressed their selves in accordance with the program for a central government.

SOLDIERS' VOTE MAY BE DECIDING

New Jersey Returns Await Canvass of Ballots in Camps  
TRENTON, N. J., Sept. 25.—Indications tonight were that the soldier vote may decide who is to be the Democratic candidate for the long term as United States Senator from this state.

It is estimated that there are about 5,000 New Jersey soldiers in camps throughout the United States who were eligible to vote in the primaries. Special commissioners were delegated to take the votes of these men and they have thirty days in which to make returns.

The official figures thus far are: Lamotte, 12,245; Simpson, 12,307; Hennessey, 12,527. They show that McDermitt is far behind the others.

BRITISH CAPTURE SELENCY; CLOSER TO ST. QUENTIN

Bulgarians and Turks Still in Disorderly Retreat On All Eastern Fronts  
AMSTERDAM, Sept. 25.—"It is announced that owing to the long range bombardment of Metz and other places, preparations are being made for the expeditious evacuation of civilians and movable property from places within range of such guns when the evacuation becomes necessary," says a despatch received here from Berlin.

(By The Associated Press)  
The Teutonic allied forces in Macedonia and Turkey still are in flight before the attacks of the British and the eighth important St. Quentin sector in France the British and French armies, after hard fighting have drawn more closely their lines in the investment of the town in the northwest, west and south. The stubborn resistance of the Germans, in defense and counter-attacks, has been unavailing except to impede the progress of the men of the armies of Field Marshal Haig and General Debeney.

General Debeney's troops are in rapid retreat before the British and French. More than 10,000 prisoners and 265 guns have been taken by the British and yet General Allenby's appetite for further campaigns has not been satisfied.

General Allenby is delivering it is his purpose absolutely to overwhelm the Bulgarians. And the fulfillment of his plans seem appreciably near.

In no less critical situation are the Germans and Bulgarians in the Macedonian theater. The frontiers of the Balkans are now in the hands of the British and French. The mountainous country gives them ground for strong resistance to the invasion of Bulgarian territory through the passes, the Bulgarians and German everywhere are in rapid retreat before the British and French.

Respectively on the western and eastern fronts the Italians and the Greeks and British are fast throwing forward their lines in endeavors to envelope the enemy, while in the center, where the Serbs have driven their way wedge toward the center, there is no lagging, notwithstanding the difficulties of the terrain.

On the French front, the British have taken the village of St. Quentin, a scant two miles from the western environs of St. Quentin, and both the British and French troops north and south of this line have driven further wedges into the German front. More than a thousand prisoners and many machine guns have been taken by the British in these operations. Numerous strong counter-attacks were delivered by the enemy, but Haig's men put all of them down, with heavy losses in the German ranks.

Beat Off Counter-Attacks  
The Germans have also reacted strongly in the region lying west of the Chemin-Des-Dames, endeavoring to regain the territory taken by the French as a means of regaining both the Chemin-Des-Dames and the Laon salients. Here also the enemy was beaten off.

Good weather has returned to the American sectors on the Lorraine front and nothing has occurred there except the usual routine of trench warfare and a resumption of aerial activity on a great scale. Advice from Berlin is to the effect that there is much perturbation in Germany over the long distance guns of the Americans, which are shelling the great behind the German lines. The advice says that preparations are being made for the expeditious evacuation of the civilians from Metz and other places within range when such a move becomes necessary.

Welcomed at Haifa  
BRITISH ARMY HEADQUARTERS IN PALESTINE, Tuesday, Sept. 24.—A few hundred Turkish left behind at Haifa resisted British advance, but were finally driven out.

The population gave the British a most enthusiastic reception, even the Zionists participating in the welcome. These Germans are mostly immigrants from Wurtemberg who came to Palestine on conscientious grounds. They complain bitterly of the Turkish exactions and the lack of security.

Among the prisoners is a German major, who wanted to leave Haifa with other German troops on the day previous to the British entry into the town but was compelled by the Turks to take part in the fighting. He spoke of the German mechanics working at Nazareth who must have escaped rather than continue serving with the Turks.

Everything is orderly at Haifa. The administration was taken over without the slightest hitch. The disposal of the thousands of prisoners is a real problem. The number is constantly swelling and fugitives are coming in from everywhere. It includes a jerry filled with cases of Turkish treasury notes.

VON HERTLING'S SPEECH IS PLEA OF DEFEAT

Seriousness of the Internal Situation in Germany Forces Admission  
NO. NEED FOR U. S. COMMENT  
Peace Discussion Unsafe Until Huns Are Driven From Belgium

COPENHAGEN, Sept. 25.—(By The Associated Press)—Disappointment over Chancellor Von Hertling's speech is indicated by special dispatches from Berlin. The Vossische Zeitung says that the speech received hardly any applause from the majority of those who listened to it and with hisses from the minority, and that its reception leaves no doubt that at least a considerable part of the majority in the Reichstag regard his continuance in office as a hindrance to the new order of things.

Both the Vossische Zeitung and the Vorwarts emphasize the need of the government coming to an agreement with the socialist program.

Theodor Wolff, in the Tageblatt, says that a new era is coming and that Von Hertling belongs to a generation whose knell is being rung amid the cannon thunder.

WASHINGTON, Sept. 25.—There was just one thing in Chancellor Von Hertling's speech which interested American officials. It was his frank and open admission of the seriousness of the internal situation in Germany.

Following so closely upon the formal declaration of the Social Democrats of the conditions upon which their party would consent to participate in the government, the speech was regarded as intended primarily for internal consumption in Germany. It is regarded as part of a plan to persuade the Socialists to agree to the aid of the government in the war.

The marking similarity between the statements made by Von Hertling regarding the heads of peace and those principles laid down by the Socialists at once was noticed.

When attention was directed to Von Hertling's statement that he had had no response from the United States to his proposal last February to accept in principle the conditions of peace laid down by President Wilson, officials pointed out that the German government had effectively exposed the sincerity of Von Hertling's proposal when, in his Baltimore speech, he pointed to the crime against Russia as a sufficient reason for rejecting any offer of peace on the Brest-Litovsk basis.

Furthermore, it was declared that there could be no talk of peace until the last German and Austrian soldier has been withdrawn or driven from the occupied territory.

The inclination of the government to regard the speech as the latest movement in the German peace offensive and as an insincere or unworthy consideration is based upon the feeling that in scarcely a single point does the premier make an unqualified declaration of adherence to the fourteen principles laid down by President Wilson.

Through neutral countries have come reports of disorganization, mutiny, rioting and desperation in Germany, but it remained for the German chancellor to add that confirmation which was wanted.

LONDON, Sept. 25.—The speech of Count Von Hertling, the German premier, (Continued on Page 2)

FOUND DIVISION OF WAR HISTORY  
State University to Keep Record of California's Part

SAN FRANCISCO, Sept. 25.—Under the direction of University of California professors, a complete record of the accomplishments of California's soldiers, sailors and war workers will be compiled by a department of war history, creation of which was approved today by the state board of education and executive committee of the state council of defense.

A war information bureau, which plans to publish a periodical, "California At War," to advise the public as to activities of war organizations, will be established also if plans approved today are made effective. This bureau is to be in charge of Charles Lapworth, a San Francisco newspaper man.

Dr. Owen C. Coy of the University of California, architect of the California historical survey commission, is to head the war history department with the assistance of Professors Henry Morse Stephens and Herbert A. Bolton of the University of California.

Adjutant General J. J. Borren, M. J. Ferguson, state librarian, Edward A. Dickson of the state board of education, and Arthur P. Will, California director of the United States public service reserve.

53 PLANES DOWN ON TUESDAY LAST  
LONDON, Sept. 25.—Fifty-three hostile airplanes were accounted for by British aviators on Tuesday evening in the most important night fight. Thirty-one of these were destroyed and twenty-two were driven down. Ten British machines failed to return. More than 2,000 photographs were taken and 12½ tons of bombs were dropped in twenty-four hours.

CLEVELAND, O., Sept. 25.—In the heaviest year of its history, the twelve months ended June 30, 1918, the American Shipbuilding Company earned 79.91 per cent on its \$2,000,000 common stock, according to President M. B. Farr's annual statement to stockholders.

BARCELONA, Spain, Sept. 25.—(Havas)—Earth shocks were felt here today, but they lasted only a few seconds. There were no casualties.

## It Keeps the Engine Young!

Experts agree in recommending ZEROLENE because it keeps the engine young—full-powered, smooth-running and economical in fuel and oil consumption.

The majority of motorists are now using ZEROLENE, because they have learned by experience that there is no better oil to be had.

Correctly refined from selected California asphalt-base crude, ZEROLENE gives perfect lubrication with less wear and less carbon deposit. Less wear because ZEROLENE keeps its lubricating body at cylinder heat. Less carbon because, being made from asphalt-base crude, it burns clean and goes out with exhaust.

ZEROLENE is the correct oil for all types of automobile engines. It is the correct oil for your automobile. Get our lubrication chart showing the correct consistency for your car.

At dealers everywhere and Standard Oil Service Stations.

## HERTLING ADDRESS NOT FAVORABLY RECEIVED

Plaintive Insistence That Germany Is Abused Nation

Chancellor Declares Prussia Will Be Compelled to Reform

(Continued from Page 1)  
The chancellor, delivered yesterday in the Reichstag main committee, made an unfavorable impression upon the Reichstag members, the Exchange Telegraph correspondent at Amsterdam reports. In Reichstag circles the address is considered to have been unequal to the gravity of the situation in that parliamentary body, whose members were to meet this morning to decide upon their attitude toward the chancellor.

AMSTERDAM, Sept. 25.—Count Von Hertling, the German imperial chancellor, in addressing the Reichstag main committee, complained of the lack of attention to his address in the Reichstag. He said that President Wilson neither at that time or since had taken notice of the chancellor's declaration.

Count Von Hertling continued by declaring that he favored the formation of a league of nations, the improvement of universal, successive disarmament, in equal proportions, the establishment of obligatory courts of arbitration, the freedom of the seas and the protection of small nations.

Count Von Hertling declared submarine warfare was slowly but surely diminishing Allied tonnage.

"Above all," he said, "it is restricting the transportation of reinforcements of men and material from the United States."

War Prepared Years Ago

"We have never concealed the fact," said Count Von Hertling in the course of his address, "that all thoughts of conquest were far from our minds. But how do things stand on the opposite side? It is credited to the utterances of the enemy, official and unofficial, that they only desire to repel a Germany which in criminal arrogance is striving for world hegemony, to fight for freedom and justice against German imperialism and Prussian militarism."

"We know better. The world war was prepared years ago by the well known encircling policy of King Edward. In France, there arose extensive war literature which referred to immediate war with Germany. Austria-Hungary's influence in the Balkans was to be eliminated. The Russian expansion movement and the Pan-Slavic idea demanded it."

"The match was not put to the powder by the Prussian military party but while the German emperor, up to the last moment, was endeavoring to preserve peace, the Russian military party put through the mobilization against the will of the weak czar and thereby made war unavoidable."

Cartoons As Propaganda

"The official account of the Sukhomitri trial made this clear to everyone who desired to see. We can look calmly forward to the judgment of posterity. For the present it is true those who are in power in the enemy countries have succeeded by unparalleled campaign lies and calumny in obscuring the truth. When a result was not obtained by the spoken or written word, it was achieved by pictorial representations—productions of absolutely dishonest fantasy from which one turns with horror and disgust."

"But the object has been attained. A hatred has been raised among the enemy populations against the Central Powers and particularly against Germany."

"You have all read President Clemenceau's last speech, a speech which seemed, in its fanatical hatred and consciousness of mind displayed, to surpass anything hitherto achieved. But in America it found a many-valued echo, as it proved by the

pronouncements that are reaching our ears from across the ocean.

War Fury in America  
The wildest war fury is at present raging in the United States. The people are intoxicated with the idea that America must bring the blessings of modern liberalism to the world. The millions of dollars which the war armaments are causing to flow into the pockets of the business men.

Theory and practice are two different things. The wildest war fury is at present raging in the United States. The people are intoxicated with the idea that America must bring the blessings of modern liberalism to the world. The millions of dollars which the war armaments are causing to flow into the pockets of the business men.

Serious But Not Hopeless  
"How will the German people have to meet this? Will they beg for mercy in fear and trembling? No gentlemen, remembering its great past and its still greater mission in the future, it will stand erect and not cringe or grovel."

"The situation is serious but it gives us no ground for deep depression. The iron wall of the western front is not broken and the U-boats are slowly but surely fulfilling its task of diminishing tonnage."

Count Von Hertling said it was the business of the Germans to stand together, cool, confident, united and resolute, with their one aim the protection of the fatherland's independence and its freedom of movement. There was no reason for the Germans to be discouraged, he declared, between the government and the people. The former only desired to work with and for the nation. Alluding to the difference of opinion on political matters, the chancellor said:

To Force Franchises Through

"The period after the war will also confront us with new domestic problems. I will not speak of these now but, as I know that the suffering and worries of war time, but also by quite definite cares and grievances of a political nature, I will make some brief remarks on the subject."

"Since taking on my shoulders the heavy burden of the chancellorship, I have always endeavored energetically to carry out what was still lacking in this respect. I am, of course, alluding to that great reform, which, in my opinion, does not fall within the jurisdiction of the Reichstag, but nevertheless, engages political circles in Germany far beyond the Prussian frontiers."

Count Von Hertling asserted that the Prussian government was firmly resolved to have the bill accepted, and that it would not hesitate to use any means constitutionally available. He begged his hearers to remember that this question was one of far-reaching importance in the historical structure of the Prussian state and that it would be unfair if the representatives of the old order were not given the opportunity of defending their standpoint.

The chancellor said, "Should we, however," he continued, "not succeed in attaining our content, I am, of course, alluding to that great reform, which, in my opinion, does not fall within the jurisdiction of the Reichstag, but nevertheless, engages political circles in Germany far beyond the Prussian frontiers."

Referring to the question of peace, the chancellor then said that humanly shudders at the thought that this war may bring others and the question was as to the possibility of creating an organization—amongst peace-loving nations which would "set right in the place of might and a peaceful resolution of international disputes."

The chancellor proceeded:

"As is known, the President of the United States laid down in fourteen points the guiding lines for a conclusion of peace. On January 24 of this year I discussed in your committee all these points and regarding the last remark that the idea of a league of nations was suggested had my entire sympathy on the condition that the honest will to justice and the recognition of the equal rights of all states of the league were guaranteed."

"How necessary was this reservation was shown by the statements of our enemies who in a league of nations thought of an alliance directed against Germany and her allies."

President Wilson in a message on February 2 (February 11) took a further step in the same direction and laid down four principles which in his opinion should be applied in an exchange of views. In my Reichstag speech of February 22 I declared myself in principle in agreement with the possibility of discussing a general peace on such a basis.

President Wilson, however, has neither then nor since taken any notice of it.

Neutral Support  
"Meanwhile the former idealist and zealous friend of peace seems to have developed into the head of the American imperialists. But the plan of a league of nations yet to be established is not to be discredited by such an action. It has found eloquent advocates in the Swiss president and the Norwegian premier, Knudsen, both of whom dwell especially on the interest of neutral states in such an institution."

"I also do not hesitate to express my opinion today on this question and indicate publicly the aim and basis of such an association. It is a question of promoting universal, equal and successive disarmament, the establishment of obligatory courts of arbitration, freedom of the seas and the protection of small nations."

"Regarding the first point on February 24 I described the idea of restriction of armaments as thoroughly discussable, adding that the financial position of all the European states after the war would give the most effective support to a solution of this question."

Favors Arbitration  
"Regarding the question of arbitration, my standpoint has long been historical. I will not go into details, but interesting material which I have before me showed that Germany in the past repeatedly suggested arbitration of disputed questions, the carrying out of which in several cases, however, was prevented by opposition raised in Great Britain or America. If an international understanding could be reached that disputed questions of law be submitted to arbitration courts and if this were made obligatory for members of a league of nations, it would undoubtedly be an important step toward the attainment of the general aim."

More precise prescriptions, especially regarding results guarantees for the recognition of verdicts made by arbitration, need careful and thorough consideration."

"I have expressed myself before this on the question of freedom of movement, which forms a necessary prerequisite for the unrestricted intercourse of states and peoples. Here, however, the greatest difficulties, naturally, are not raised on our side. On a former

## TO HAVE HOSTESS HOUSE AT FAIR

That people of Fresno who have not visited any of the camp hostess houses may know what one looks like and how they are conducted, the Fresno Y. W. C. A. has arranged to bring a miniature house to Fresno during the fair to be placed on the grounds. The house is being brought from the land show at Oakland, and will arrive Saturday evening.

These hostess houses are placed in ninety-one camps and cantonments across the continent from Camp Meade, Maryland to Camp Kearny, California, and are called a "dramatization of a phase of Y. W. C. A. hostess." "A bit of home within the camp," in fact in the words of the Y. W. C. A. "The hostess house has come to be the only place in the camp where the women can meet, the men they come to see, where the women can find rest and refreshment while waiting for the soldier to be off duty; where the too enthusiastic girl finds balance and protection; where the anxious mother is given comfort and encouragement, and not least, where the soldier himself can find a comfortable chair by the fire."

One hostess from the local association will preside at the house every day, and there will be several young ladies, and cadets to give a realistic touch of atmosphere.

Literature concerning the national war work council and local war work will also be distributed. Information may be obtained from the hostess in charge, along any lines desired, including war work both abroad and at home.

## MARINE SCOUTS TO DRILL REGULARLY

Beginning next week, a schedule of drills has been arranged for the Marine Scouts, who will be instructed by Sergeant Andy, according to Raymond L. Quigley, superintendent of public playgrounds. The drills will be held from 4 until 5 p. m. and are arranged as follows: Tuesday, Monday, and Friday; California night, Tuesday, Holmes, Wednesday, and at the Normal school grounds Thursday.

The scouts are requested to meet at the Courthouse grounds for the Liberty loan parade at 7 o'clock, sharp, Friday evening, September 27.

## NEW CANVASS ON AT HIGH SCHOOL

At a meeting of the Belgian relief committee of the Fresno high school yesterday afternoon final arrangements were made for a complete canvass of the school for donations of articles of wearing apparel. Today the committee of ten will visit all English classes, later appointing sub-committees to canvass in turn the entire school. The drive is on until Monday, but it is expected that the greater amount of clothing brought to the committee will be placed in the gymnasium by Friday.

The committee is composed of the following: Clarence Kinchete, chairman; Kenneth Calhoun, Muriel Davis, Cecile Curtis, Claude Minard, Mary Fox, Dorothea Springborg, Lawrence Hall, Muriel Klette and Dorothea Kearns.

## Oil News

### TWELVE WELLS IS REPORT FOR WEEK

SAN FRANCISCO, Sept. 25. Reports filed with the State Mining Bureau covering proposed oil field operations for the week ending September 23, show twelve new wells ready to drill, making a total of 552 wells reported since the first of the year. There were 18 wells reported for test of water shut-off, 7 deepening or re-drilling and 3 abandonment jobs.

The detailed list, which follows, includes operations omitted from the list of September 14, account of delay in the mail:

### INSTALLS SMALL GASOLINE PLANT

TAFT, Sept. 25.—J. M. McLeod of the Hale-McLeod Oil company is spending a few days in the fields in business connected with a junior absorption process gasoline plant, which he has installed on the Hale-McLeod to use the gas from the various wells on the company's properties on sections 5 and 8, 32-23.

This plant is a small model of the big plant, which McLeod and his associates are installing for the Midwest company in the Salt Creek field in Wyoming.

The junior plant at the Hale-McLeod lease is attracting no little attention among superintendents having from 200,000 to 300,000 cubic feet of gas to handle. It enables them to make their own gasoline from gas which heretofore had been going to waste because of the quantity being too small to market.

Gas with a capacity of as low as a gallon and a half to two gallons of gasoline can be handled at a profit by this new plant as it operates entirely from the steam from the lease boilers.

T. A. Russell, an expert in mechanics, is in charge of the plant and will be glad to at any time explain it to superintendents who may be interested.

### MUST REGISTER BY OCTOBER 5 TO BE ABLE TO VOTE

Is your name on the great register of your voting precinct? Only those who have registered since January 1st of this year, from the precincts in which they now reside, will be allowed to vote at the general election November 5. Registration closes October 5. Any citizen of the United States, States, who on November 5 will have been in California one year and in the county ninety days and in the precinct thirty days, may register at once.

## The Humphrey "Radiantfire"

A Wonderful Discovery in Gas Heating  
Peculiarly Adapted to Our  
California Climate

"Radiantfire" is the modern open fireplace. It has the charm and fascination of the frelight, the same flood of radiant heat, without the dirt of smoke, firewood or ashes, and the danger from flying sparks.

Noiseless and Odorless. It lights quickly—can be turned down low—no deadening of the air.

Why not install one in that unused fireplace?

N. B. We sell and install the Humphrey "Radiantfire". See demonstration in our Heating Department at headquarters.

# SOCIETY

Among the most interesting bits of news in which a Fresno man is claimed for having been selected to do special work in the service, is the announcement that Mrs. Arch Jack is awaiting orders to be sent to France by the Y. M. C. A. entertainment committee. About a year ago Mrs. Jack registered as being willing to do her "bit," and through a cousin, Harry Carr of New Orleans, a professor at Vanderbilt University, who is now in the Y. M. C. A. in America, the invitation to enter the service in this capacity came to Mrs. Jack.

No better choice could be made from among the local musicians, as Mrs. Jack has a personality that radiates cheer, and from talents that will make her services valuable. Her talents as a vocalist are well known, and she is doubly gifted, as she plays the piano with equal talent.

Her special gift for singing Southern dialect songs has made her numbers extremely popular, and will prove a delight to the men in the service "over there."

Her various papers have been signed, and the date of her departure depends wholly upon advices from Y. M. C. A. headquarters.

Mrs. George H. Allen and her son-in-law, Frank Stern, motored down from Berkeley Tuesday, where the former has been spending some weeks. Mr. Stern continued on to Bakersfield to join Governor Stephens, and the two returned to Fresno last night to be guests in the Allen household until today.

Miss Kate Parsons has returned from a very delightful motor trip to Lake Tahoe and the Yosemite Valley by way of Tioga Pass.

Mr. and Mrs. Samuel McKee Mison (Martha Harris), whose marriage was featured in San Francisco recently, are expected to arrive tonight from a honeymoon at Del Monte and other points north, to make a brief stay in Fresno before going on to their orange grove at Lindsay.

Miss Hester Latham has returned from a very interesting trip to Chicago this summer, where she devoted much of her time to study at the Art Institute. She also visited at her home in Pasadena before returning to resume her duties at the Normal school as instructor in the art department.

Miss Virgie Lee Holland leaves at the end of the week for Pullman, Washington, where she will continue her studies at Washington State College.

At the Red Cross tea room in the Liberty theater this afternoon patrons will be greeted by the motion picture actress, Jimmie Maye, who is being

featured in the film now running at that theater.

Holland Douglas and Robert Porter leave today for the University of California to enter the students' army training corps.

Mr. and Mrs. H. F. Helms of Prescott, Arizona, will return to their home today after a visit with the latter's mother, Mrs. M. Lightowler.

Members of the Tarkenton Club were entertained at the first of the after-noon meetings yesterday afternoon by Mrs. John Bartram. The afternoon was enjoyably spent in talking, and tea was served at a table prettily adorned with African marigolds.

Among the guests were Mrs. S. W. Barnes, Mrs. F. Stedman, Mrs. James Chisholm, Mrs. Fay Darlam, Miss Day Hines.

The club will be entertained a fortnight hence by Mrs. C. E. White.

Mr. and Mrs. Albert O. Warner, and little daughter, and Miss Ida Miles returned yesterday from Berkeley and Oakland, where they have been spending several weeks. Miss Elizabeth Warner returned home a few days ago and has been the guest of her grandmother, Mrs. W. T. Maupin.

Mr. and Mrs. F. P. Black have returned from a motor trip to Sacramento and San Jose. Miss Doris Black returned with them from the latter place, after a visit of several weeks with relatives.

Mr. and Mrs. Fred Fox and family have returned from an outing at Long Beach.

Misses Kathleen and Juanita Lohmeyer have returned from a several weeks' sojourn with relatives in the Bay cities.

Mr. and Mrs. W. A. Buckner have returned from a short vacation in San Francisco.

Mr. and Mrs. S. W. Marvin have returned to San Francisco after a visit with Mr. and Mrs. W. O. Blasingame.

Mr. and Mrs. Albert Bowen, Miss Anna Bowen, LeRoy Bowen and Mrs. L. A. Scovins returned yesterday from a motor trip to San Diego and adjacent points.

Mr. and Mrs. Leo De Mera and children of Oakland and the former's father, D. A. De Mera, have been the guests of Mr. and Mrs. Robert McCourt while enroute from Los Angeles to their home in the north.

Get your box seats now for the Big Fresno District Fair. You'll be disappointed if you wait till the last minute. Phone 3272. —Advertisement.

## THEATERS HONORED BY NATION TONIGHT

Managers of the local theaters which have been co-operating with the Four-Minute Men of the committee on public information will be honored tonight by the presentation to them of certificates from the government accrediting them as theater members of the official organization.

These certificates are issued in accordance with a recent expression by President Wilson in acknowledgment of the debt the country owes to those theater managers.

The certificates, which are handsomely engrossed on parchment, are worded as follows:

"In recognition of the grant of exclusive speaking rights to the Four-Minute Men of the committee on public information, we do, by and with the consent of the President of the United States, hereby appoint as a theater member of the organization."

Presentation will be made at the following theaters tonight by the following Four-Minute Men of the Fresno county organization:

"The Frier Scott" at the White theater; Ernest Klette at the Liberty theater at 9 o'clock p. m.; E. A. Forbes at the Kinema theater at 8:30 o'clock p. m.; M. H. Gallagher at the Hippodrome theater at 8:15 o'clock p. m.; C. B. Jackson, Fresno Photo theater, 7:50 o'clock p. m.; M. K. Wild, Bijou theater, at 8 o'clock p. m.

## ANOTHER DOCTOR IN ARMY SERVICE

Dr. Frank Ohannessian, of Fresno, who recently was given a commission as first lieutenant in the United States army medical corps, yesterday received a telegram from the acting surgeon general of the army, ordering him to be ready to report for active service within ten days.

Dr. Ohannessian is a graduate of the Jefferson Medical College of Philadelphia and at present is doing intern work at the French hospital in San Francisco.

## TO BRING BODY OF MRS. MADARY HERE

M. R. Madary will return to Fresno Monday night with the body of Mrs. Madary, who died recently in Los Angeles. Funeral arrangements will be announced after his return to Fresno.

## All Registrants Must Watch for Questionnaires

Questionnaires are being mailed each day to ten per cent of the total number of draft registrants in Fresno city and county between the ages of 18 and 20, inclusive, and 32 and 36, inclusive.

Each registrant is allowed by law seven days from the date of the mailing of his questionnaire to return it, properly filled out, to his Registration Board.

All registrants are urged to consult attorneys named by the Bar Association before attempting to fill out their questionnaires. No charge is made by these attorneys for this service.

## RAILWAY CLERKS ORGANIZE UNION

A new union was organized in Fresno last night, when T. C. Vickers, general organizer for the American Federation of Labor, instituted the local union No. 80, of the Brotherhood of Railway Clerks. The union has a charter, membership of 114, and the charter will remain open for 30 days.

The officers elected are H. N. Clark, president; Russell Marker, vice-president; William J. Maher, recording secretary; Edward Bruhns, financial secretary-treasurer; L. A. Morris, agent-at-arms; A. C. Struthueller, inside guard; George Rogers, outside guard. Executive committee will be elected October 2, when all officers will be installed. The organization now has a national membership of 88,000.

## TO ARGUE CASE OF THE COPYISTS

The recorder's copyist suit over the competency for the last eight months will come up before Superior Judge Austin tomorrow. It will be argued on the demurrer of R. G. Rialick, deputy district attorney. The date for trial probably will be set.

## R. C. RECEIVES SOLDIER'S THANKS

That the Red Cross in general is appreciated, and the Fresno chapter in particular, is evidenced by the following letter received at headquarters yesterday by Mrs. Al Braverman, secretary:

"Secretary, Red Cross: 'Kind Friend: I wish to thank you for the comfort kit that I received here today from which I found out, was made up by your kind chapter. I greatly appreciated your kind gift and hope to have the same near me at all times. The Red Cross has made our days in the service like home. 'Wishing the Red Cross great success, I remain, 'An admirer of the R. C. forever. 'HERMAN J. SMITH, Battalion B. Co. 3, Draft, 'U. S. Naval Training Camp, San Diego, Cal.'"

## NOW CIRCULATING BELL PETITIONS

Circulation of petitions to place the name of Theodore A. Bell on the general election ballot in November as an independent candidate for governor, was started in Fresno yesterday by Eugene Rahlil. It is not known how many names Rahlil expects to try to get.

Under the law the petitions are supposed to be in the office of the county clerk today, giving him five days in which to verify them and forward them to Sacramento. County Clerk Baymiller said yesterday that he would allow the filing of petitions until Saturday noon, as his office would then still have plenty of time in which to verify the names and forward them.

The Bell petitions have been in Fresno for several days and it was stated yesterday that a number had been asked to take charge of the circulating of them, including Russell Elber, chairman of the Democratic County Central Committee. Elber declined to take any action, pleading that he did not have the time.

CHANGE PLACE OF DINNER. Announcement was made yesterday that the postponed dinner, at which the Deputies are to launch their campaign for Henry Hawson (or Congress), has been changed from the Hughes hotel to the Rathskeller. It is to be held on Saturday night. Another dinner for Hawson is to be held at the Kings Hotel in Hanford on Monday night.

OREGON JUDGE DIES. SALIM, Ore., Sept. 25.—Justice E. A. Moore of the Oregon supreme court died at his home here today. He was 74 years of age and a native of Maine.

SAN FRANCISCO, Sept. 25.—Daniel J. Campbell, attorney arrested last night under the espionage act, was released today by Federal authorities, who said, as Campbell already is under \$25,000 bond pending an appeal from a seven-year sentence for obstruction of the draft, there was no necessity of immediate action on the case.

ATTENTION, ELKS. Attention, Elks. Elks are requested to meet at the lodge room Friday evening, Sept. 27, at 7 o'clock, to march in the Liberty Loan Parade. COMMITTEE. —Advertisement.

Military watches with luminous dials and in protected cases are very suitable gifts for soldiers. One of these watches for your soldier relative would be a much appreciated gift. YOU CAN FIND THEM AT SUNDRIE, THE JEWELERS, NEXT TO THE KINEMA. —Advertisement.

# ARMY FLYER HERE TOMORROW

## AVIATOR WILL FLY TO FRESNO TO TAKE PART IN CELEBRATION

Commandant at Mather Field Telephones Mayor Toomey That Air Fighter Will Be Here to Thrill Throgs—Plans of Illumination Announced

An American fighting aviator who will soon be sent over to France to meet the Hun in combat on the western front of the sky where there are no shielding dug-outs or trenches or parapets, where man meets man and wins or falls, will fly down from Mather Field sometime tomorrow to take part in Fresno county's mammoth celebration of the American victory at St. Mihiel, which will mark the opening of the fourth Liberty Loan drive.

Lieutenant Haskins, acting commandant at Mather Field, made this announcement over the telephone to Mayor Toomey yesterday. He said an aviator would be sent here tomorrow to take part in Fresno county's great patriotic demonstration and another flyer will be sent to Fresno on October 5 to take part in the celebration of "Governor's Day" at the Fresno county district fair and also fly over the city and drop Liberty Loan bombs.

At what hour the American army flyer will sweep down from Mather field tomorrow afternoon and appear in the sky over Fresno, circling and looping and dropping Liberty Loan bombs, cannot be announced until a definite schedule is received from Lieutenant Haskins, giving the hour of the start and the estimated time of arrival.

The flyer will bring a written message from the commandant of Mather Field to General Chairman W. O. Miles of the Liberty Loan committee.

Van Ness to Be Aglow.

With all plans for the great street pageant practically complete, it was announced yesterday by Parade Chairman David Swing Ricker that all organizations and all parades are to regard the side of Courthouse Park as a reviewing stand and are to counter-march on Van Ness avenue as they would were the President of the United States sitting in a stand at the park fountain. The reason for the decision to make the counter-march in Van Ness avenue between Fresno and Tulare, the display point in the line of march, is the shortage of red fire caused by government restrictions and the inability of many organizations to secure lanterns. Every organization, therefore, is asked to reserve its most elaborate display for the counter-march on Van Ness as an effort will be made to take a moving picture for an illustrated weekly as the great parade

**MARCHING ORDER**  
The official escort of the parade will march four abreast.  
The military bodies will march four abreast.  
The fraternal organizations will march as their rules provide.  
All civic organizations and bodies will march eight abreast.  
**FRANK G. HOOD,**  
Grand Marshal.

moves past the imaginary reviewing stand.  
Plans are now under way to have the entire width of Van Ness avenue covered by flood lights. These lights, if the plan is carried out, will bathe the entire parade at intervals with red, white and blue as it passes down the avenue.

**Priestly Donates Fire Works.**  
W. E. Priestly, fireworks expert and instructor in the use of flares and star shells and rockets at Camp Lewis and who will direct the sham battles at the Fresno county fair, last night offered Chairman Ricker the use of these great lights and furthermore donated a great number of bombs which will be set off by Priestly himself as the great pageant moves along the streets.

Many of the organizations taking part in the parade have worked out original lighting plans of their own, despite the shortage of red flare the great pageant will be a stream of light. Some of the organizations have declined to make public their plans, preferring to surprise the public by the schemes of illumination they have worked out, but the Santa Fe employees, who will march 100 per cent strong, will carry railroad fuses and will carry enough of them to make the Santa Fe contingent a lurid spot in the procession.

The Eagles are planning to carry torches if torches can be had and the Workmen of the World are said to be working out a unique plan of illumination.

This morning Grand Marshal Frank G. Hood and Chairman Ricker will descend upon the Oriental quarter and commandeer every available lantern and all those who have lanterns they are willing to lend for use by different organizations in the parade are asked to notify Liberty Loan headquarters—telephone 4533—before 2 o'clock this afternoon.

## SPEAKERS AT LOAN MEETINGS NAMED BY MILES

Chester Rowell and C. F. Stern to Speak at Auditorium Rally

John S. Partridge of San Francisco, Ed Shields and Gallaher in Park

General Chairman W. O. Miles of the County Liberty Loan committee yesterday announced the speakers and chairmen and vice presidents of the three great mass meetings that will be held at the municipal auditorium, one at Courthouse park and shell and the third at the southeast corner of the park facing I. street.

Following is the complete program as announced by Chairman Miles:

**Civic Auditorium Meeting.**  
Chairman—Dr. H. O. Breeden.  
Speakers—Chester Rowell and C. F. Stern.

**Park Meeting.**  
Music—Eugene Towner, leader of patriotic singing; Mrs. Arch Jack, solo; "Your Boy and My Boy," Mrs. Earl Towner, organist.

**Stenographers.**—Mrs. M. C. Paulsen and Mrs. Wyckoff.

**Adding machine.**—Agnes McBrier.

**Chairmen of solicitors.**—A. R. Brown, in charge of Union National home forces; George Ball, in charge of Bank of Italy force.

**Assistants.**—Boy Scouts Troop No. 1, H. L. Hopkins, Scout master; Home Guards, Ed Jones, major; C. B. Jackson, captain.

**Vice Presidents.**  
O. J. Woodward, E. E. Manheim, Bertton Einsteln, E. A. Berge, W. O. Miles, Fred B. Fox, C. T. Cearley, E. A. Berg, D. S. Ricker, Mrs. W. A. Fitzgerald, H. A. Goetz, K. Amickell, John Bidegaray, Dr. C. P. H. Kjaerbye, J. L. Fraga, Mr. J. C. Jensen, J. K. Hosaka, Arthur E. Webb, H. S. Hulbert, W. M. Har, Dr. Madden, H. W. Wrightson, Marion Deussen, Andrew Erickson, J. D. Johnson, John Cerini, C. T. Reeburn, W. T. Foraker, N. C. Blanchard, Gus Christopher, W. J. Lohman, H. H. Welsh, Geo. Roeding, Milo Howell, Geo. S. Waterman, Chester Rowell, Chas. Osborn, W. P. Chandler, Harry C. Wilson, Dave L. Newman, Dr. McKenna, Commercial club; H. F. Allard, Rotary Club; Mrs. Henry Hanson, Woman's Food Administration; Mrs. E. A. Williams.

**Women's Council.**—Dorothy Deane, Peter Droger, Exemption Board; Capt Hughes, postmaster; Carl Lindsey, Bar Association; J. J. Vander-

(Continued on Page 11.)

## FOURTEEN CITIES OF COUNTY TO BE IN LINE

Supervisor W. A. Collins Announces Formation of Co. Division and Aides

Two Bands and Three Home Guard Companies Coming From County

The people of the whole county—their boys fighting over there, after with patriotism, determined to make the celebration tomorrow night the greatest in the history of the San Joaquin valley—are coming to Fresno to parade the streets, singing and with bands playing, and ready to subscribe thousands upon thousands of dollars to the fourth Liberty Loan at the great mass meetings that will follow the street pageant.

Supervisor William A. Collins, chairman of county participation in the huge patriotic demonstration, reported to Grand Marshal Frank G. Hood and Parade Chairman Ricker last night that fourteen county cities would march in the great parade to celebrate the victory of the Yanks at St. Mihiel and the opening of the big loan drive. Collins and Ricker will bring their bands with them and the Home Guard organizations of Selma and Coalinga and Fowler will be here.

Supervisor Collins, who will be marshal of the county divisions—the next day—announced the formation of the fourteen cities in their division with the aides in command of each city section as follows:

**Coalinga.**—H. M. Dallas.

**Clovis.**—E. C. Small.

**Del Rey.**—George Myers.

**Fowler.**—H. W. Wrightson.

**Kingsburg.**—C. F. Draper.

**Lemoore.**—J. D. Johnson.

**Parlier.**—N. C. Blanchard.

**Reedley.**—Marion Dineen.

**Selma.**—John Rorden.

**Sanger.**—E. C. Thompson.

The big county division will form on Merced street, west of Van Ness avenue, and will be led by the Reedley band. The Selma band, through the graciousness of the Selmans, will lead Division Six of the big pageant and will form on Tulumne east of Van Ness avenue.

To take part in the county-wide demonstration the Collinsmans will come sixty miles in over 100 automobiles and a special parking place for their autos has been arranged on I street, at the Courthouse park and will be in charge of a special watchman.

According to the final plans worked out by Grand Marshal Hood and his assistant marshals at a meeting held at the Commercial Club last night all the different bodies of the Home Guards will march together at the head of the military division. And this division will be commanded by Assistant Grand Marshal Captain S. L. Gallaher, the ranking captain in Fresno of the State National Guard. Home Guard companies without their uniforms are urged not to let the lack of uniforms interfere with their participation in the parade.

**WOMEN CAPTAINS TO MEET TODAY**

The women captains of the city-wide house to house campaign of the Liberty loan have been called by Mrs. W. A. Fitzgerald, chairman of the women's Liberty loan committee, to meet with her this afternoon at 2:30 o'clock at the Parlor Lecture Club.

The whole great campaign in which hundreds of women will take part will be outlined at this meeting, the plan devised by Mrs. Fitzgerald to cover the entire city in two days will be carefully outlined, the captains will be given the boundaries of their precincts, together with the necessary subscription blanks.

They will also be told in detail the terms on which Liberty bonds will be sold this time and will be called on to urge every woman to buy a bond of her own, no matter how many bonds her husband has bought.

"We have been asked by the government to submit a complete record of the total subscriptions made by women and we want Fresno county to make as good a record as any other county, if not a better one," said Mrs. Fitzgerald yesterday.

**\$23,000 SUBSCRIBED AT SANGER RALLY**

Sanger last night made its initial subscription to the Fourth Liberty Loan when \$23,000 was subscribed at a big mass meeting at which Sergeant Philmore, Judge Carl A. Lindsay, General Chairman W. O. Miles were the speakers.

**DEL REY STARTS OFF WITH \$20,000**

The Del Rey Fourth Liberty Loan committee met last night at the Baptist church and raised \$20,000 in 20 minutes as a start to its campaign for the Fourth Liberty Loan. In the last campaign Del Rey led the county for the highest per cent and its committee is on the job with the sentiment of the community behind it to go over the top strong at the present time.

Chairman H. S. Hulbert and Secretary Elmer Fantz are to be congratulated in the manner they are handling the work of the campaign.

**SPANISH VETERANS TO MARCH.**  
Spanish-American War Veterans, including comrades from Selma, Coalinga, Sanger, Fowler and all other towns of the county, are asked to assemble at Armory hall Friday evening at 7 o'clock to take part in the Liberty Loan Pledge Parade.

**COLORADO BODY IN PARADE.**  
The Colorado Progressive club will take part in the big parade and will march in the Civic section which forms on Merced street at Van Ness.

**TEACHERS TO MARCH.**  
Two hundred school teachers announced through their president, Miss Russell of the Washington school yesterday, that they will march in a body in the Pledge Parade.

## Uncle Sam Insists on His Soldiers Having Plenty of Milk and Dairy Products

The Government Has Commandeered Most of the Dairy Products now in Cold Storage for Use in the Army.

The Reason for It Is Because There Is Health and Strength in Every Ounce.

### Use More Milk

It's pretty wise to follow the advice of Uncle Sam; he is on the lookout for what is best for the soldiers and has commandeered most of the milk supply and dairy products, because of their superior nourishing qualities. Take a tip from him—drink all the milk you can as often as you can—and you will be the better for it.

## We Invite You to Inspect Our Milk Plant—2020 Fresno Street

It's the Very Essence of Sanitation

You should make a visit to our plant at 2020 Fresno Street, and see what a modern and thoroughly sanitary milk plant is like. The milk is brought here from our dairy farm where the most sanitary conditions prevail, and here it is clarified, pasteurized and bottled under conditions as clean as you would have them in your own home.

## Alkali Makes Soap Bad For Washing Hair

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulled coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides it loosens and takes out every particle of dust, dirt and dandruff.

## 

"Nine-Tenths of the Law" was a truly satisfying picture, one of the best of the kind that has been shown in this city. The picture was shown at the Liberty Loan Committee, and by the fact that it was shown there, it is a good sign that the picture is a good one. The picture is a story of a man who is a member of the law, and who is a member of the law, and who is a member of the law. The picture is a story of a man who is a member of the law, and who is a member of the law, and who is a member of the law.

The Johnson bunch treated us to a truly satisfying picture, one of the best of the kind that has been shown in this city. The picture was shown at the Liberty Loan Committee, and by the fact that it was shown there, it is a good sign that the picture is a good one. The picture is a story of a man who is a member of the law, and who is a member of the law, and who is a member of the law.

OLD MISSOURI

### 

George M. Patton, who recently filed a suit for \$5,000 against Roy J. Woodward, et al. for injuries alleged to have been sustained when hit by a car as he was riding a cycle at Ina street, filed an amended complaint asking for \$12,000. C. K. Bonnell filed the suit.

An interlocutory decree of divorce was granted John O. Pinnell from his wife, Laura Pinnell, in superior court yesterday. A divorce was also granted to Antonio Muoz from Fred D. Moore. Sarah Alice Gully was given a divorce from Carlyle Gully.

Partition of the estate of Theresa Hinn including about \$25,000 worth of property in Fresno and vicinity and other properties was decreed.

The supervisors will open bids today for gravel to be furnished for several miles of road between Firebaugh and Des Plaines, in the northwest corner of the county. This road is in Supervisor Jorgensen's district, and is part of a road to be improved in the future to Fresno. It is built through boggy soil, and for the two whippers past has been a failure. The addition of the gravel this year is expected to give the road a permanent character.

HOME GUARD, ATTENTION! All members of the 3rd Battalion are hereby notified to report at the armory Friday evening, September 27th, at 8:45 p. m. sharp, to participate in the Liberty Loan parade.

By order, EDWARD JONES, Major Commanding.

## 

Board Proposes New School Building for Palm Avenue Vicinity

A study of the enrollment of the Fresno schools shows a decided increase on Tuesday over the registration on the first day of school, according to Superintendent of Schools J. H. Longfellow. The following enrollment figures were reported: Columbia, 424; Edison, 211; Emerson, 529; Hawthorne, 412; Jackson, 372; Jefferson, 186; Kirk, 274; Lincoln, 658; Longfellow, 282; Lowell, 511; Washington, 105; Webster, 459; high school, 115.

The increase between Monday and Tuesday's registration was from five to thirty-three pupils in the different schools. Among thirty-five more for Columbia, eleven for Edison, six for Emerson, ten for Hawthorne, five for Jackson, four for Jefferson, thirty-one for Kirk, three for Lincoln, thirteen for Longfellow, forty-two for Lowell, eighteen for Washington, fourteen for Webster.

The enrollment is expected to increase throughout the remainder of the week. Superintendent Cross stated yesterday that it was found that the section of the city in the vicinity of the Palm Avenue site has built up so rapidly that the school has decided to put up a structure which will be ready by January. This school will include the first four grades. The new building was made necessary by the fact that no further relief can be expected from the Normal and the Lowell and Hawthorne schools already crowded.

### 

Had it not been for the promptness of Special Officer Eugene Hayes and Patrolman Kell in extinguishing a fire in a room in the Pioneer rooming house, 1010 1/2 street, at 2 o'clock yesterday morning, the flames might have reached serious proportions and spread throughout the building. The burned room, which had been occupied by a stranger, was vacant when entered by the officers. There was no clue as to whether the fire was of incendiary origin or not.

## MORE WHEAT DRIVE OPENED BY COUNTY FARM BUREAU

Farmers, Defense Council,  
Bureau, and Bankers  
to Meet Oct. 2

Annual Mass Meeting  
1500 Members Bureau  
Picnic at Kearney Oct. 24

The Fresno County Farm Bureau directors yesterday launched the United States wheat campaign for Fresno county, and in conjunction with the District Council of Defense, will hold a meeting for the farmers and others interested at the trustees' room, city hall, at 10 o'clock Wednesday morning, Oct. 2. P. A. Homan, district chairman of the county, will be present at the meeting. Most encouraging news was delivered by Associate Advisor H. N. Davis, who reported that a five-day canvass had revealed definite plans on the part of capable farmers to plant an acreage of more than 20,000 acres. Much of this planting will be on moist lands, and a crop is assured. He believes Fresno county can very well plant its quota of 40,000 to 50,000 acres. (Geo. McLeod, for the Sherry Flour Company, said the milling quality should be considered. He advised a considerable planting of the Early Dwarf, a hard wheat that ripens earlier than the Sonora, and which made good crops here last spring. Farmers declared the \$2.20 per bushel price, set by the U. S. Food Administration to be attractive. The opportunity for fair profit and the patriotic impulse to raise food for the armies was thought, would insure that Fresno county would readily reach its quota. Seed wheat was discussed. It would cost 3 1/2 to 5 cents a pound. The Stanislaus underwriting plan was also discussed. A wheat exhibit will also be made at the Fresno District Fair. Plans are being worked out to make the general exhibit educational, rather than competitive. The bluestone-lime treatment for seed wheat and barley to eradicate the smut, proved efficacious in fields where tried last year, and its universal use was recommended. It is a great im-

provement over old methods, and does no damage to the vitality. An expert will come to Fresno in a few days to assist in arrangements for dipping the seed.

### Should Raise Sheep

Prof. W. E. Packard, assistant state farm advisor, spoke on the sheep-raising campaign. He advised every farmer having the fences and the feed to get a few sheep. He reported that many large flocks in southern California counties were being divided, the smaller farmers taking the ewes. If the older ewes have good teeth, he advises keeping them a year longer.

Those present were President Geo. Homan, Jr., Directors E. L. Holsinger, Alfred Nelson, W. H. Meyers, Otto L. Peterson, J. A. Postress, A. J. Quist, J. R. Moore, Frank Linn and R. L. Avenell; P. A. Homan, Messrs. Johnson, Hauser, of the University of California; Advisor Lefroy B. Smith and assistants.

### Poultry Plan

Mr. Hauser spoke on the poultry situation in California. Hauser says the poultry situation in California is serious, and that the flocks are badly depleted as a result of the high cost of feed. He advised the farmers who are raising chickens to raise more poultry. The general farmer is at present in a better position to raise poultry than the professional fancier. Johnson spoke on the methods of dipping wheat.

### Annual Election

Preliminary plans for the annual meeting of the County Farm Bureau at Kearney, October 24 were discussed. The election of officers will be held. A picnic will be given, and the day will be spent similarly to that recently enjoyed by the Madras county bureau members who visited the park. By that time the cotton probably will be in the course of picking, and other farm activities will be drawing to a close. The university experiment station will have figures on yields of many varieties of crops available for study. The entire membership of farmers and their families will be expected to attend. It is the one meeting of the year when the entire membership assembles.

The full schedule of center meetings throughout the county will be held in October, and in following months.

The membership campaign for the year 1919 will also be inaugurated in October. Many members are coming in without solicitation.

A number of cover-crop demonstrations have been located. The growers are preparing to plant several varieties in orchards and vineyards. Melilotus, indigo, burr clover, vetch, and field peas are planned, where the seed can be obtained.

The October meeting of the board of directors will be held Wednesday, October 16 to complete arrangements for the annual meeting on October 24.

## LEGAL BOARD HAS STRENUOUS DAY

Registrants Are Asked to  
Help Themselves As  
Much As Possible

The associate members of the legal advisory board put in a strenuous day yesterday at the City Auditorium. At one time there were more than forty registrants on the waiting list to receive assistance with their questionnaires. It is expected that the large attendance will continue from day to day for about three weeks.

The committee in charge desire to make the following suggestions and requests to each and every registrant:

(1) Every registrant, especially those who can read and write the English language intelligibly, will please endeavor to fill out the answers to his questionnaire before seeking assistance from the advisory board. This will greatly expedite the work, and lessen the waiting at the auditorium. In any event, every registrant should either read or have someone read the questions required to be answered, so that he may promptly and correctly announce the answers thereto. Come prepared with all data and other information required regarding property, wages, living expenses, etc.

(2) Registrants should not expect to receive assistance during the noon hour, from 12 to 1 p. m.

The committee is greatly pleased with the work of the Japanese Association of Fresno. This association is entitled to great credit as a demonstration for the work it is doing in assisting all Japanese registrants in filling out their questionnaires. Each Japanese came with his questionnaire filled out and neatly and carefully answered, ready for his signature and affidavit.

The committee also desires to request all attorneys who are designated for the day to be at their post promptly at 9 a. m. Do not be late, either in the morning or in the afternoon.

In addition to the attorneys in attendance, the following persons have taken the oath as associate members of the legal advisory board, and assisted during the day: Maria Jorgensen of the law office of Everts & Ewing; Lillian M. Walton of the County Recorder's office; Geraldine L. Olmstead, who also assisted as Japanese interpreter; Cora E. Haller of the Relief and Employment Commission of Fresno County, who also acts as an interpreter of the Spanish language, and J. Waldruff of the state bureau of immigration and housing.

The following attorneys will be in attendance at the auditorium today: G. L. Ayresworth, T. R. Thomas, L. L. Cory, Clyde Thompson, W. E. Simpson, E. M. Harris, N. L. Barber, S. L. Strother, Astor Edmanson, Edward Schary.

## VACCINATION HOURS SET AT EMERGENCY

Owing to the possibility of emergency cases arriving at any moment, the vaccination of school children at the emergency hospital will be done from 9 until 12 o'clock forenoon and from 2 until 4 o'clock afternoons on any days excepting Sunday, Monday forenoon and Saturday, which are devoted to children's clinics, according to Dr. Kinschey, assistant city health officer. Fully 200 have been vaccinated within the last week or two. Monday mornings are devoted to the treatment of eye, ear, nose and throat troubles, while Saturdays have been set aside for clinics, when a physician will be in attendance at 3:30 o'clock.

It is requested that more clinical patients be brought to the hospital early Wednesday forenoon, as Saturday is an unusually busy day.

**GETS 60 DAYS**  
Frank McClellan was sentenced to 60 days in the county jail by Judge Briggs on a petit larceny charge. He is alleged to have stolen a grip from the Wells-Fargo Express Company, and was arrested by Patrolman Wickstrom.

**ATTENTION RED CROSS**  
Fresno Canteen Company and all other Red Cross Auxiliaries are requested to report in uniform to Carl E. Lindsay, commandant, Friday evening at seven o'clock, sharp, on Van Ness avenue between Thule and Stanislaus for the purpose of participating in the parade. Each member will please bring a small American flag.

By order of the Chapter:  
WILLIAM GLASS, Chairman

**NOTICE**  
All members of the Danish Society of Danla and all Dances of Fresno county are requested to meet at Odd Fellows hall to take part in the demonstration which opens the Fourth Liberty Loan campaign Friday evening, September 27 at 7 p. m. sharp.

ANTON PEDERSEN, Sec.  
—Admission Free.

**VINEYARD TRUCKS AT \$60.00**  
W. J. O'Neill, Co., Fresno.

## Fifty Ready for Citizenship in Courts Today

Today is "Americanization Day" at the courthouse. About fifty aliens of many nations will be given their final examinations, and nearly every one is expected to be admitted to citizenship. The final papers will be granted by judges of the Superior Court. All these men have lived in the United States at least five years. Some of them are expected to be absent, having joined the army recently.

Judge Austin will have charge at 9:30 o'clock in the morning and at Judge Church after 1:30 o'clock.

## Y. W. ACTIVITIES ARE EXTENDING

In accordance with the war work program, the Y. W. C. A. is planning the organization of a Blue Triangle Glee Club, and as soon as twenty girls sign for the club, it will be started. Miss Maude Wolff, general secretary of the Y. W. C. A., expects to obtain an instructor next week.

There is no expense connected with the club except for music and instruction. The object of the club will be to learn and sing the patriotic songs so well known to the soldiers overseas and at home.

Miss Wolff also announced yesterday a meeting for the reorganization of the Health's student league to be held next Wednesday.

It is planned to have a recreation hour with gymnastic work or military drill once a week. Noon hour classes will also be arranged on Tuesday and Friday of every week, the first day being for discussion of up-to-date subjects, led by Miss Wolff; and on Friday the interpretation of great recent books by different speakers.

## NORTHSIDE CHURCH SOCIAL TONIGHT

The Bible school of the Northside Christian Church, corner of Sumner and College avenues, have invited all members of the church and their friends to enjoy a social to be held at the church this evening. The participants of the pupils are particularly urged to attend.

The social will mark the opening of the fall work, and a large attendance is expected. Rally Day in the Sunday school will be the second Sunday in October.

The social will be patriotic in its nature and stress will be laid upon the fourth Liberty loan drive. The church has been decorated, and the program arranged by Mrs. Beal's girls' class, the members of which will also act as the reception committee. The following program will be rendered:

Prayer.....  
Rev. C. L. Beal.  
Recitation—"Grandma and the Motor Car".....  
Cecil Gordon.

Piano duet.....  
Norma and Neida Giffen.

Recitation.....  
William Marshall.

Reading.....  
Homer Patterson.

Song—"Blest Be the Tie".....  
Chorus.

Class exercises.....  
Three Classes.

Remarks.....  
F. L. Swartz, Superintendent.

The program will close with exercises by the Boy Scouts under the direction of the scoutmaster, Robert A. Purke, followed by the recitation, "Your Flag and My Flag," and the singing of the "Star Spangled Banner."

## Over There

"OVER THERE" (Standard Player Action Used)

The song that has been burned upon the memories of thousands of sweethearts and mothers whose boys have marched away to its lilting rhythm. The song that brings tears welling to the eyes, but tears not of sorrow, but of pride and love as played upon the players at

## FINAL APPROVAL FOR AUTO RACES

Final approval of the automobile races to be held at the Fresno district fair on Saturday, October 5, was given yesterday by an official of the American Automobile Association contest board, who made a personal inspection of the protective fence which the fair association has constructed on both sides of the racetrack, along that stretch nearest the grandstand.

The races will be electrically timed, 15, 11, Pendleton, veteran auto race timer, who has been a familiar figure for several years at Fresno races, will again be seen in the timer's stand.

The prominence of the race drivers who are to participate in the two big events of the afternoon has attracted unusual interest throughout the valley and a crowd, fully as great as any in previous years, is expected to witness the events.

**G. H. WARLOW IMPROVES**  
George L. Warlow was taken to the hospital yesterday afternoon, suffering from the grippe. He had been confined to his home several days, previously. He was reported improving last night.

**UNKNOWN MAN BURIED**  
Coroner Bean held an inquest yesterday on the body of the unidentified man found dead near Lacey Monday. He was buried as an unknown. A coroner's pipe and 20 cents were found among his effects.

## PROMINENT SELMAN DIES SUDDENLY

SELMAN, Sept. 25.—Armen Karahadian, pioneer fruit grower of Selma, died suddenly of heart failure at 9:30 o'clock last night. He had just retired for the night, and called to members of his family about his son, Dick, who had entered the University of California, when he was suddenly attacked and died in a few minutes.

He is survived by his wife, Mrs. Virginia Karahadian, his sons, Dick and Roy, and daughters, Hasmik, Susie and Grace. Two brothers, Kart and Ed Karahadian, live at Selma. Mrs. Karahadian also survives. Mrs. A. Moradian of Fresno county, and Mrs. Mason and Miss Helen Karahadian of San Francisco. Armen Karahadian lived near Selma for sixteen years, and was prominent among the vineyardists here.

**ENID, Okla., Sept. 25.**—William Madison Hicks, minister, Socialist lecturer and self-styled president of the "World Peace League" was convicted in the federal court this evening on five counts out of six in an indictment charging violations of the espionage act. The Rev. A. B. Hicks of Johnstown, Ark., a brother of the defendant, was arrested on a charge of giving perjured testimony during the trial.

## HERTLING ADDRESS NOT FAVORABLY HEARD IN BERLIN

(Continued from Page 2)

occasion I pointed out that there must be unhindered access for all nations to the inland seas, no predominant position of Great Britain at Gibraltar and Malta and in the Suez canal—an English newspaper has called this inopportune.

"Clear Conscience."  
"Finally there is a protection of small nations. Here we can forthwith and without reserve state that in this matter we have an entirely clear conscience. May, therefore, a league of nations be no mere dream of the future, may the idea deepen and may the people in all countries zealously concern themselves with the means for its establishment. The first and most important requisite will be an energetic will to champion peace and justice."

"Here I will close my remarks. The foreign secretary will deal with the political situation in more detail, discussing especially in that connection the well-known Austrian note and the reception it has met with up to this time on the part of the enemy."

"Those in power in the so-called democratic states today, who are anxious and without consulting their peoples exhibited a curt attitude of rejection. If so doing they once again show where the passion for conquest, where imperialism and militarism are in reality to be sought."

## Is This Hertling Plan?

LONDON, Sept. 25.—There is good reason to believe that the program adopted by the Social Democratic faction of the Reichstag at its meeting on Monday actually embodies Germany's peace terms, according to Rotterdam advices to the telegraph.

The resolutions adopted by the Social Democratic party included the unrestricted endorsement of the Reichstag resolution of July, 1917. It also declared in favor of Germany joining a league of nations based on a peaceful settlement of all disputes and general disarmament.

There were non-committal declarations on the restoration of Belgium and an understanding regarding indemnities and on the restoration of Serbia and Slovenia and a declaration that the peace treaties of Brest-Litovsk and Bucharest must not hinder the conclusion of peace. It was urged that civil administration over all occupied territories be given up on the conclusion of peace to democratic parliaments which are to be established forthwith.

Autonomy for Alsace and Lorraine was also provided for in the resolutions which also declared for universal, equal, secret and direct suffrage for all the German federal states. It is said that the Prussian Landtag will be dissolved if equal suffrage does not result without delay from deliberations of the committee of the upper house.

## "Suffering Psychosis"

AMSTERDAM, Sept. 25.—Germany maintains her readiness for peace, notwithstanding repeated rejections of peace offers from the Central Powers, declared Admiral Von Hintze, the German foreign secretary, in addressing the Reichstag main committee.

Speaking in the recent Austrian peace proposal, Von Hintze said that the German government's attitude toward peace had been manifested to the whole world in repeated appeals.

"We maintain this appeal for peace, our readiness for peace," he continued, "despite the partly jeering, partly sneering rejections which we have experienced from our enemies. In this we are in full accord with our allies."

The foreign secretary said after the previous failure he had appeared to the German government that it should not take any further steps in this direction and that a moment when the nation's enemies were "suffering from the psychosis and the intoxication of victory" was not a suitable time for new appeals for peace.

"The appeal, however, was made," the secretary added.

## Upholds Treaties

AMSTERDAM, Sept. 25.—Vice-chancellor Von Payer, speaking before the main committee of the Reichstag, defended his Stuttgart speech in which he declared the treaties of Bucharest and Brest-Litovsk must stand. The vice-chancellor said it would be a mistake to abandon those treaties insofar as they regulate the relations between signatories, but he added: "If one day we are able to display so much insight, self-control and unselfishness that we can without injury to our interests, permit our enemies to collaborate in questions which only affect them indirectly, if at all, we can after all come to an understanding with those who, with us are concerned, whether we will discuss on the basis of reciprocity these questions also with our enemies."

## FRESNANS TO GO ON OCTOBER 4

SACRAMENTO, Sept. 25.—Dates for the entrainment of 600 California limited service draft registrants ordered to Fort McDowell, San Francisco, were announced today by Adjutant-General Brewer.

They follow:

October 2—All quotas of Alameda county, Berkeley, Oakland, San Francisco, Alameda, Contra Costa, Nevada, Placer, El Dorado, San Diego county and city, Orange, Riverside, San Bernardino, Santa Clara, Santa Barbara, Imperial, all Los Angeles county, Los Angeles city Nos. 3 to 18, inclusive, Pasadena city.

October 4—Kern, Kings, Fresno, San Bernardino No. 3, Santa Cruz, San Luis Obispo, Siskiyou, Inyo, Tulare, Napa, Mendocino, Lake, Sonoma, Marin and Humboldt counties.

## SOME INCREASE IN SHIP LOSS

LONDON, Sept. 25.—Although the British shipping losses were lower there was a slight increase in the total Allied and neutral shipping losses due to enemy action and marine risk in August over July, according to a statement by the admiralty issued today.

The total figures are 327,674 gross tons, an increase of 2,904, divided as follows:

Allied and neutral losses 151,275, an increase of 10,027; British losses 176,401, a decrease of 6,123.

## CHILD KILLED BY DELIVERY TRUCK

Stepping off the running board of a laundry delivery car, little Donna Leona Tipton, daughter of Mr. and Mrs. Jesse W. Tipton, 335 1/2 street, in the front of an approaching Central California delivery truck, at 1 and Kern streets about 5:30 yesterday afternoon and was fatally injured. The latter truck was driven by Ben Francis, superintendent of the company. The child was taken to the Burnett sanitarium, where she soon died from the injuries. She was injured about the head.

She had frequently ridden in this manner, but had always escaped being hurt.

Donna was the only child of Mr. and Mrs. Tipton and was a native of Illinois. She was but 6 years old. The family had resided in California two years. Mr. Tipton is a switchman. Funeral arrangements will be announced later by Stephens & Bean.

## TWO COLLISIONS NOT MUCH DAMAGE

A collision between two autos took place shortly after noon yesterday when Andrew Goulart, driving a delivery truck, hit a truck belonging to C. J. Smith, 1884 Tulare street, at Tulare and I streets. The former was going north on I when it hit Smith's which was driven by Leo Davittan, going west on Tulare. The damage was slight.

Another collision between a car driven by Mrs. E. C. Bennett of Huntington and one driven by L. W. Wilson, city truck, occurred early yesterday morning at J and Mariposa streets. The former was going south on J and Wilson west on Mariposa at the time. No great damage was done.

## PRUNE SITUATION IS INVESTIGATED

Fresno dried fruit men are awaiting with interest the decision of the California Dried Fruits Committee, which is meeting in San Francisco, on the exact condition of the prune crop following the disastrous rain of early in the month. It may be determined whether or not the prune association will have any prunes for the trade, after filling government orders to the best of its ability.

## SPANISH GRIPPE NOW FOUND IN TWENTY SIX STATES

(Continued from Page 1)

cured in camp here today. This makes a total of 146.

An appeal was sent out tonight for emergency ambulances. Volunteer drivers, nurses and doctors. A number of women ambulance drivers from New York and Philadelphia are expected tomorrow with their own automobiles. Doctors and nurses from New York and Philadelphia also are expected.

The wives and mothers of many soldiers who came to camp to visit sons and husbands have been stricken with influenza. They are being taken care of at the Red Cross hospital here.

## STORE YOUR GOODS WHERE THEY WILL BE ACTUALLY SAFE

State Center Warehouse and Cold Storage, Corner R and Inyo Streets, Fresno

## A Modern and Really Safe Warehouse Is Now at Your Service

At last you have a really up-to-date, and positively fire proof warehouse at your disposal, where your goods may be stored safely while you are out of town for a time, or when you have decided to close your home. The fact that our insurance rate is so low is proof of the fact that the building is as fireproof as it is possible to build them.

Accommodations may be had here for storing household furniture, or for storing merchandise. Both classes will receive the greatest care and protection.

**87,700 Square Feet of Storage Space** **We Are in the Market for Food Products**

This new building is reinforced concrete, with brick curtain walls. Perfect ventilation is provided. The latest type steel frame windows set in concrete are a part of this commodious structure. 87,700 square feet of absolutely fire-proof space is available.

We pay the highest market prices for grapes, raisins, peaches, apricots, beans and other good products. This is a departure from the regular warehouse line, but having such fine storage facilities we are in a fine position to handle your products.

## VISALIA TO GUARD SUPPLIES OF FOOD

VISALIA, Sept. 25.—Plans for the safeguarding of all food stores in Visalia are already under guard, and for increasing the safety of those now guarded, were laid last night at a meeting of the city trustees, the action being in keeping with the recent urgent request of the state defense council.

As a direct result the trustees have ordered the sidewalks closed for a period of three months around the canneries, and permission is given these institutions to wire off twelve feet from the buildings, all sidewalks, and keeping policeposts away from the buildings in that way. More lights will be erected and permits will be issued for the carrying of firearms by the special guards already employed or who may be employed. In general the guard system was reported operating nicely, but at least one warehouse reported no guards and one was not represented.

## RECEPTION IS GIVEN PASTOR

REDFIELD, Sept. 25.—On last evening Rev. and Mrs. C. R. Montague were given a surprise at the home of Mr. and Mrs. John McBratner south of town. Mr. and Mrs. Montague had been invited to dinner at the McBratner home and friends took this occasion of giving them a thoroughly satisfactory surprise by appearing at the McBratner home at 8 o'clock. The evening was spent in games and music and light refreshments were served. During the course of the evening's program, Prof. C. R. Montague, in behalf of the friends, and in words of appreciation of the work of Mr. Montague, presented him with a wrist watch, as the gift of the congregation of the Methodist church at Redfield, which Rev. Montague has served for the past three years in the capacity of pastor.

Rev. Montague expects to enter army service in the very near future as a chaplain, and on next Sunday morning will preach his last sermon. On the following Wednesday will go to Bakersfield to attend the annual conference which convenes in that city on October 2.

**PARENT-TEACHERS TO MEET**  
LINDSAY, Sept. 25.—The Parent-Teacher Association will meet tomorrow at the Washington school. Plans for the year will be discussed. Mrs. Mollie Bloom Flagg will give an address on the health insurance amendment. Four-minute talks will be given also on war work.

## FORMER GOVERNOR VISITS KERN MINE

BAKERSFIELD, Sept. 25.—For the first time in fifteen years Henry H. Markham, former governor of California, was a visitor in Bakersfield yesterday. He called attention to the remarkable growth of the city since he last saw it, in the days of the oil boom. The former executive is interested in a mine at Caliente, and he stopped for a few hours after a visit to his property.

Markham was governor 1891 to 1895.

## ARMY ENTRANCE PAYS INSURANCE

PORTERVILLE, Sept. 25.—Members of the Woodmen of the World lodge here have announced the entry of any of the order into the military or naval service of the government will mean the automatic payment in full of all insurance in force at the time of enlistment or induction. Arrangements have been worked out whereby premiums on all such policies will be borne by the lodge. Up to the present such assessments have amounted to 33 cents per month per member. There are now twenty of the lodge members in army service.

## MINISTER ENTERS WAR WORK

HANFORD, Sept. 25.—Rev. Ward W. Hull, pastor of the First Methodist church of this city, is Hanford's second minister to take up war work. He is the first to definitely enter the army since the former recruit, Rev. Warren W. Howe, of the First Presbyterian church, engaged in Y. M. C. A. work. Rev. Hull is the first to take up war work since the former recruit, Rev. Warren W. Howe, of the First Presbyterian church, engaged in Y. M. C. A. work. Rev. Hull is the first to take up war work since the former recruit, Rev. Warren W. Howe, of the First Presbyterian church, engaged in Y. M. C. A. work.

**STEERS BRING \$100 EACH**  
TULARE, Sept. 25.—W. R. Helknap, a cattle buyer of this city, purchased sixty two and three-year-old steers yesterday that averaged over \$100 per head. The cattle were bought in Visalia and will be shipped to Los Angeles.

## WOMAN IS MURDERED BY SON-IN-LAW AT MERCED

Thomas Bellon First Tries to Kill Wife; Shoots Brother-in-Law

Enters Bedroom As Victims Lay Sleeping; Is Captured by Posse

MERCED, Sept. 25.—At 3 o'clock this morning at the ranch of Clifford Molano, six miles from town, Thomas Bellon, son-in-law of the Molano family, killed his mother-in-law by shooting her through the head with a .38-caliber revolver. He also shot his brother-in-law, Joseph Molano, in the head.

Mrs. Molano died soon after the shooting. The murderer's wife and brother-in-law are in the county hospital, where they were taken to have a chance for recovery. Molano was captured by an armed civilian posse at 1:30 this afternoon.

The sleeping victims of Bellon's butchery were in bed in the same room. In one bed Mrs. Bellon had her five-month-old baby at her breast, and although the woman received two razor slashes in her throat and one in the breast, the cuts were not deep enough to prove fatal. Bellon had her five-month-old baby at her breast, and although the woman received two razor slashes in her throat and one in the breast, the cuts were not deep enough to prove fatal.

Mr. Molano, husband of the murdered woman, was awakened by the commotion, and seized a gun by the bedside, which was taken from him by the murderer, who then rushed to the door and pointed a weapon at his brother-in-law, Joseph Molano, who was awakened in another room by the screams of his dying mother. Joseph Molano pursued the fugitive murderer out doors and was shot in the chest. Mrs. Bellon fled from the bedroom as her husband was at the bedside. Her parents, who believed she would return to her bed and kill her if he found she was still alive. After Bellon left the house his wife returned to the scene of the murderous act, and although blood was streaming from her forehead, she endeavored to minister to her dying mother, who was receiving the aid also of another daughter, Jennie, who was aroused from another room.

Bellon, according to the deposition of his wife taken at the hospital this afternoon, had long been abusive to his family and frequently threatened murder. The wife believes today's crime was contemplated, as revenge for the man's recent arrest in Dinuba. Mrs. Bellon and younger children arrived here from Dinuba recently and had fled from his abuse there. Bellon followed them here and last Friday called at the Molano home in a drunken condition. He was taken to town by the wife's brother, on that day, and was not seen again until this morning, when he arrived on his mission of murder. That he planned to kill every inhabitant of the house is the opinion of Mrs. Bellon. Early on the day an exhaustive search for Bellon was made. The force of sheriff's deputies was enlarged extensively and negotiations were begun to secure bloodhounds to track the fugitive.

At noon the fire alarm summoned a large body of men when an armed civilian posse was organized to comb the country thoroughly. At 4:30 this afternoon the murderer was found hiding in a large haystack on a truck farm in the western edge of town. He offered no resistance when his pursuers came upon him and he was taken to jail at once.

An inquest into the death of Mrs. Molano was conducted by Coroner W. M. Griffin this evening.

**Well Known in Dinuba.**—Thomas Bellon is a French Italian, aged 31 years. Until recently he resided here. He is known as a competent, industrious workman, except when under the influence of liquor. He has been under arrest several times in Dinuba, where he was taken to jail for threatening to kill his wife and children, and recently completed a term in the county jail at Visalia. On Thursday last, because of another outbreak, Mrs. Bellon, taking the youngest children, went to her mother's home in Dinuba, and the daughter, Carrie, swore to a complaint in the court of Justice Wallace, charging her father with disturbing the peace. Mrs. Bellon, doubtless thinking that the father would cure for the other children, let them here on her departure, but Bellon disappeared. A boy of 10, left unprotected for a few days, was taken into the Molano home, where he proceeded to help himself to the family jewelry. He was taken in charge by Constable Hill Monday and was placed in the care of the proprietor of the Dinuba hotel, pending the arrival of the county probation officer. Bellon returned Monday night and was taken to the hotel by Constable Hill. He was paroled that he might spend the night with his son. He agreed to be in the justice court Tuesday morning to meet the charge filed by his daughter. But in the morning he had broken parole. He was seen early in the morning by a paper carrier at North Dinuba and was not again heard of until reported from Merced, after the murder. Bellon is the father of ten children. Besides those at Merced with their mother, one child is presently in the Dinuba hospital. The boy is in the detention home at Visalia, two girls are engaged here in domestic service and two are working as grape pickers. Upon notification of the Merced tragedy the two eldest daughters left for Merced today.

**KERNAN BOY IS ARRESTED**  
PORTERVILLE, Sept. 25.—Rosa Reese, a South of Kern county, was taken by custody by the officers here last night after he had been found lurking around the Southern Pacific freight yards. When quizzed by Judge Jamison, he said he had run away from home. Distant relatives were located and this afternoon he was returned by them to his home.

## CERES MAN WEDS SAN DIEGO GIRL

HERNDON, Sept. 25.—The marriage of James L. Ford of Ceres to Miss Ruth Scotland of San Diego was solemnized at the home of the bride's parents in that city in the presence of a few relatives and friends. Rev. Mr. Valentine read the ceremony. The bride was in a white and tulle gown and wore a white veil. The groom wore a tuxedo and a white bow tie. They spent the honeymoon in Riverside and Redlands. The bride is a very charming young lady and a devoted wife. The groom is a graduate of the University of Redlands in June. He was enabled to complete the work of the last semester by himself and took the examination. He was ordained as a Baptist minister very recently at San Diego where he is stationed. He was a Ceres boy and was a graduate of the grammar and high schools of that city.

Dr. M. L. De Berkley was a Ceres visitor the first of this week. He visited the Sunday school institute on Monday evening, and called on old friends on Tuesday. Mrs. J. L. De Berkley is spending the week in San Francisco. Mrs. Lawrence Whitmore, who had been visiting in San Francisco, departed Monday. Mrs. W. H. Chapin and home Monday. Mrs. W. H. Chapin and home Monday. Mrs. W. H. Chapin and home Monday.

Mrs. C. N. Whitmore will leave on Tuesday to visit friends and relatives in San Francisco. She will be gone for three or four weeks. Rev. M. O. Brink, former M. E. pastor at Ceres, has been transferred to Ukiah. Rev. Mr. Summers will come to Ceres.

## Births, Deaths and Marriages in the San Joaquin Valley

**LICENSED TO WED.**  
FINGERLE—BRYAN—At Modesto, David C. Fingerle, 25, and Pearl M. Bryan, 18, both of Modesto.

**FIENTES-GAVILAN**—At Modesto, Jose F. Fientes, 40, and Della Gavilan, 38, both of LaGrange.

**BORN**  
ROBINSON—In Patterson, September 1918, to the wife of William Robinson, a son.

**TAYLOR**—In Springville, September 22, 1918, to the wife of Jos. Taylor, a daughter.

**FITZSIMMONS**—In Oroquieta, September 21, 1918, to the wife of Frank Fitzsimmons, a son.

## REPUBLICAN SUBSCRIBERS SHOULD PAY

As announced before by this paper, the War Relocation Authority, Washington, D. C., has issued the following order to the newspaper publishers of this country:—"Discontinue sending paper after date of expiration of subscription under the subscription is renewed and paid for."

This order is a part of the nationwide movement for conservation of war materials. It was not intended to punish publishers but by the Government. It is an order to the publishers and must be obeyed. Consequently, every Republican subscriber who is in arrears on his subscription should pay up before October first, when this order goes into effect, and thereby make it unnecessary to have the order enforced against him.

**BOYS WILL RAISE SHEEP.**  
HANFORD, Sept. 25.—Sheep raising will be one of the first subjects in which the newly formed Boys' Agricultural club of Farmers will interest itself. The club was formed today by Farm Advisor Wallace Sullivan of Kings county and W. R. Ralston of the University of California, upon their visit to the Commerce Union high school. Each member will have one ewe and one lamb in breeding. When the sheep project is well under way a pig club and a poultry club will be formed.

**FIVE TO ENTRAIN SATURDAY.**  
HANFORD, Sept. 25.—Five men will constitute the next contingent of draft soldiers to leave here for training camp. Clerk T. G. Wynne of the Kings county exemption board, announced the following five men will entrain Saturday for Camp Lewis: Lloyd Leslie Nease, Linton; Orlin Louis Miller, Colusa; Andrew Henry, Corcoran; George Earl Hinkins, Hanford; and Rone George, Clovis, Fresno. The men will report Friday afternoon and receive final instructions regarding the entraining Saturday morning.

**WILL BE GIVEN COMMISSION.**  
BAKERSFIELD, Sept. 25.—Sergeant A. M. Polinham, formerly in charge of the Bakersfield recruiting station, writes from Fort McPherson, where he is now stationed, that he has been recommended for a commission in the United States army and has passed successfully the examinations, both physically and mentally, and is now awaiting appointment from Washington.

Are you wearing service line or pin for the soldier boy you have in service? These are the latest novelties and are very popular. Write to THE JEWELERS, 1209 I ST., FRESNO, CALIF., for more information.

## GOVERNOR SPEAKS IN TULARE TOWNS

VISALIA, Sept. 25.—Governor William D. Stephens, in his one-day tour of Tulare county, during which he spoke at Woodlake, Porterville, Lindsay, Visalia and Tulare, addressed a good sized audience at the municipal auditorium this afternoon at 4 o'clock. The meeting being featured by the attendance of several hundred school children, who gave the governor a hearty welcome, which he appreciated.

The governor's talk in Visalia, as elsewhere in the county, was a stirring appeal for the fourth Liberty Loan, for all war activities, for the unanimous and wholehearted support of every man, woman and child, for the President of the United States and for no compromise, no peace until "Germany has unconditionally surrendered, until she has made reparation, restitution and automatic Germany has been beaten into the dust."

## TRAIN WRECKS LOADED TRUCK

HERNDON, Sept. 25.—The south-bound Southern Pacific passenger train ran into a wagon load of grain about 10 miles north of the railroad station. The wagon belonged to Joe Silvera of Herndon. In crossing the track the coupling chain of the tractor broke and while this was being fixed a man was sent on the track to flag the passenger train that was about due. The engineer, who saw the flagman for the train, was told to get out of the way, but for some unexplained reason failed to observe the wagon. The train was brought to a stand about a train's length south of the accident, the wagon was badly smashed and the barley was scattered some distance.

The Herndon schools are now in session, with Mrs. Dale Flower and Miss Neale in charge. This school district is now officially known as the Herndon school district, in accordance with the action of the board of supervisors who in response to a very general request of the community changed the name from Lorena to Herndon.

Supervisor Jorgensen has been busy in the neighborhood with some needed improvements to roads and culverts. The Herndon Civic Center Association will resume its meetings on Saturday evening next. At this meeting the election of officers for next term will take place, also the question of sending delegates to the proposed county irrigation convention at Fresno will be taken up, besides there is to be a very entertaining program presented.

T. Robinson has been appointed local chairman for the Liberty loan drive and has nominated Mr. T. McCann and Mr. E. A. Erdman as assistants.

## STRAY BULLET HITS SOLDIER

BAKERSFIELD, Sept. 25.—Frank Valenzuela, a Bakersfield boy who left with the crack sixty-third unit from the Presidio last August, and is now stationed at Camp Meade, Maryland, was shot in the arm by a stray bullet at Annapolis. His uncle, John Basye, who is also in the service, is with him.

## CLOSE HIGHWAY TO FINISH WORK

VISALIA, Sept. 25.—For the next ten days it will be absolutely impossible to get to Three Rivers by automobile or horse-drawn vehicle except to transit for it passing through on the stage line. It has been announced. The Three Rivers highway construction work has reached the Homer grade around which there is no chance of a detour being made, and will be tied up for ten days.

## NOW 360 MEN IN OBJECTORS' CLASS

CAMP LEWIS, Tacoma, Wash., Sept. 25.—There are now 360 conscientious objectors here according to the roll of special detachment Number 1 in which the men are segregated. The objectors are in many classes. Some are in the special detachment change their views and accept a general service; others refuse any military service and there are some who agree to enter service of a noncombatant nature.

Many interesting facts have developed in connection with this class of draftmen. Some, it has been found, have been converted through the faith they profess only after they have been called in the draft. For the most part, however, they have been members of various denominations which opposed war for many months or years. It is said the greatest number of conscientious objectors now arriving are Methodists or Seventh Day Adventists.

Value of the passes required for civilians doing business in camp was shown today when two salesmen for a Tacoma firm had their passes revoked and were barred from entering camp. These men, it is said, have been going among the soldiers with a sampling device the rewards being \$5, \$10 and \$20 bills. The men were said to be making a profit of 100 per cent on each sale and to have been netting big sum each day.

**DEAD MAN I. W. W.**  
BUTTE, Mont., Sept. 25.—This Kansas, killed by Police Officer James Larkin this morning after he had fired at the patrolman, has been identified as an active leader in the I. W. W. He was one of two Elmer who signed a telegram sent from White Hall last year asking that I. W. W. organizers be sent to the Butte district. His I. W. W. card was found on his body.

## CHURCH WORKERS HOLD CONVENTION

PATTERSON, Sept. 25.—The Stanislaus County Sunday School Association of the Newman district held a convention in Patterson, Sunday. The afternoon session at 2:30 o'clock was held at the Methodist church. A school of methods was conducted by the Rev. D. C. Williams, pastor of the South Methodist church at Modesto. E. D. Redman was elected chairman of the West Side district, and Mrs. Hugh Woodworth was elected chairman of the home department. Teachers' training class was the main topic of discussion at both meetings of the convention. The evening service was held at the Swedish Mission church and was addressed by the Rev. Mr. Thomas of Berkeley, who is state superintendent of Sunday school work. County Secretary Rainard of Modesto, was present. Rev. Dr. Thomas was the guest while here of Mr. and Mrs. E. D. Redman.

Rev. and Mrs. Jennings of Newman were here to attend the convention Sunday evening.

The local Red Cross finished its quota of work for the Belgian relief and shipped on Monday 100 piniforms, 78 day shirts, 71 pairs of socks and 16 sweaters. This week there will be a drive to collect old clothes for the Belgians. The garments must be strong and clean with all the buttons in place, but do not need to be mended.

Patterson's quota is 400 pounds.

Mrs. O. S. Thorpe, mother of Rev. H. P. Thorpe of Minneapolis, Minn., arrived a few days ago to spend the winter here.

Mrs. Martha Miller, Arthur Smith, and Mrs. J. Smith, of Turlock, visited Annie Wall Barnett and Ruth Wall Sunday. Mrs. Smith is Mrs. Barnett's aunt.

Mrs. C. N. Peckham and family, of Ceres, visited C. M. Peckham Sunday afternoon.

Mr. and Mrs. Penwell, of Turlock, were Patterson visitors Saturday afternoon.

Miss Cora Fulton was home from Hickman-Waterford for a week-end visit with her folks, returning to her school there Sunday afternoon.

Mrs. S. Delaine and son, Roland, of Madron, mother and brother of Miss Vivian Delaine, are visiting her and their many friends here. They leave for home Tuesday, and on Thursday Roland leaves for Occidental to attend school and take GREY training.

Miss Hilda Sunstrom, of Oakland, is visiting Miss Alice Benson for a week.

Mr. Edwin Hoffman has returned to Patterson after an extended absence.

Protect your raisins by putting them in good vertical grain trays. Fresno Brick and Tile Co., H and Main.

## Lodge Woman Refuses To Accept Jewel of Honor at Turlock

TURLOCK, Sept. 25.—Mrs. Mattie Hale, a prominent club and society woman of this city, has established a new war-time precedent by refusing to accept jewels. Pansy Rebskahn lodge, of which she is a member, recently sought to present her with the jewel which marks the degree of citizenship conferred upon Mrs. Hale as past noble grand.

Mrs. Hale said that all money that could be spared belonged to the government, and while she was desirous of receiving the honor it would be impossible until after the war. The jewel which had been purchased was therefore pledged for its value and the money was invested in war savings stamps. At the close of the war Mrs. Hale will receive the token from her fellow lodge members.

## PLAN LEAGUE TO PROMOTE HEALTH

MODESTO, Sept. 25.—Dr. John Zieg of San Francisco is in Modesto arranging organization of a Stanislaus county unit of the league for conservation of public health, and in consultation with Dr. E. F. Reamer, president, and Dr. R. R. Delapue, secretary of the Stanislaus County Medical Society. The first meeting of the Stanislaus league will be held early next week, when addresses on health conservation will be made by Dr. John Graves, president, and Dr. H. A. Ryckogel, secretary-treasurer, of the state organization. The object of the league is the increase of public efficiency by intelligent, thorough and continuous application of the proved principles of preventive measures against sickness. The medical society has invited laymen as well as members of the profession to become members of the league.

## PLAN LOAN CELEBRATION

PORTERVILLE, Sept. 25.—Members of the Liberty loan committee and the Chamber of Commerce directors will co-operate in the plans which have been laid for a celebration to be held here October 7 during the visit to this city of the war trophy train in the course of its journey over the state in behalf of the Liberty loan. Members of the joint committee hope to secure Colonel John P. Irish for the principal speaker at the celebration.

## SEEKS TO BUILD SPUR TRACK

CORCORAN, Sept. 25.—Application has been made by the United States Railroad Administration to the State Railroad Commission to construct a spur track across a county road here, from the Santa Fe tracks for the purpose of serving the Fresno By-Products Company.

## SCHOOL INCREASES NUMBER ENROLLED

TURLOCK, Sept. 25.—Turlock union high school, which opened with a decreased enrollment this fall, and the old building is badly overcrowded. The basement of the new building, tied up from further construction by injunctions and court proceedings, is of no use in efforts to house the pupils. There is a renewed demand for settlement of the dispute in regard to the location of the new building. This week the new senior class of the school organized and elected the following officers: President, Fred Johnston; vice president, Leslie Gilliland; secretary-treasurer, Prentiss Ferguson.

## TENDER PASTOR FAREWELL

TURLOCK, Sept. 25.—A big public reception was given to the Rev. E. L. Winning, who, after three years as pastor of the Methodist Episcopal church, has been transferred to Petaluma. The reception was given by the Ladies Aid Society, but outsiders were invited and the Rev. Winning has been so popular in his church work that it became a public event. He has built up a large congregation, has been leader of the Boy Scouts and prominent in Red Cross and Liberty loan work.

## AUTOISTS MEET WITH ACCIDENT

FOWLDER, Sept. 25.—The E. E. Easterbrook family, while returning from San Francisco, were involved in a week, accompanied by Miss Leanne Readdy who had spent the summer at Lake Tahoe, had the experience of having their car overturned on the highway, by a careless driver, but fortunately no one was injured.

Frank P. Griffin writes from Fort Sill, Oklahoma, that he has recently been promoted to Corporal, the third promotion since entering the service.

Mr. and Mrs. E. E. Edwards have received a telegram from their son, William Edwards, stating that he is again on Virginian soil after a second trip across the ocean. Edwards enlisted in the navy several months ago.

The Fowler Improvement Association has arranged an interesting program for the coming year, and their work will begin with an afternoon program on next Tuesday afternoon at the Club house.

Registration for voters for the November election closes October 5. Mrs. W. M. Darr has the registration blanks for those who failed to register for the primaries.

The grammar school opened Monday with a good attendance, and a strong force of teachers.

Mrs. C. W. Gosney returned the first of the week from Los Angeles, where she had spent several weeks recovering from the shock of a recent auto accident. Mr. Gosney motored down for her and was accompanied by Mrs. L. L. Brooks who remained to visit a daughter.

Gordon Giffen has disposed of his interests in Oregon and returned to Fowler to again take up his residence. His family will follow later.

Thos. S. McKibbin of Berkeley has been secured to succeed Prof. Curtis as instructor in English, history and military tactics in the high school.

Mrs. A. R. Brown has received word that her son, Milton Pollard is now in France. He belongs to a salvage squad. Irvin Pollard who joined the Aviation is recently located near Oxford, England.

## GIVES ADDRESS FOR LOAN DRIVE

OROSI, Sept. 25.—Tuesday evening at the high school auditorium an interested company of citizens listened to a rousing address delivered by Attorney M. E. Powers of Visalia in the interest of the fourth Liberty loan drive. Orosi's quota is nearly \$42,000 and it is expected that the entire amount will be raised in the next week. Mr. Powers has been the most successful in every drive. Solicitors have been chosen to do this work which will begin on Monday, September 30th.

Mervin Conner, who has been at Washington, D. C., in training, is at home on a thirty days' furlough. The Orosi high school will open Monday, September 30. Every student is urged to be there promptly for registration and adjusting of program.

## STOCKMEN BEGIN MOVING HERDS

DUNLAP, Sept. 25.—Owing to the anticipated early rains the stockmen are bringing their stock out of the mountains, two and three bands pass here every day. They are in fine condition.

Mrs. Claude Work and her son Darrell and Granddaughter, Helen Dolg, went to Fresno recently where she will place her son in the high school. Mrs. Work has been staying with her father, John Todd this summer.

Miss Pearl Baker, teacher of the famous Valley school is visiting her mother, Mrs. S. J. Baker of this place. A letter received by Mr. and Mrs. J. W. Wright from their son Warren who was called by his country two weeks ago, states that he is at Camp Kearney. He was accompanied to the camp by Harry Foster also from here. He says there is 30,000 of the boys there at present.

Wm. Reeves, superintendent of the Jacob ranch, Smith Mountain, brought his cattle out of the high mountains Sunday and the stock is looking in fine condition.

The Hopewell school trustees has secured the services of Miss Hoyer of Berkeley to teach their school this winter. Miss Hoyer comes highly recommended.

Miss Blanch Baker who spent her vacation in San Francisco, is visiting with her mother, Mrs. S. J. Baker for a few days prior to taking up her duties as stenographer for the Merryman company in Tulare county.

Mr. Jensen and Miss Dora Jensen of Fresno were here visiting her daughter, Mrs. Roy Beard who will teach the Mill Creek school this term.

Miss Claude Paroline who has been employed at the Hume lumber mills this summer came to his home here a few days ago and with his wife and baby will go to Bakersfield and permanently locate.

Rev. Hardie Connor and wife, H. J. Randall, Mr. and Mrs. Harlan were back in the pine trees last week looking for deer but were unfortunate, returning empty handed.

Messrs. A. E. Hicks and John White of Visalia were here last week looking after their gold mining property.

Twine Robinson, who has been working at the Hume lumber mills registered Sept. 12 and was asked to drop Sunday afternoon to be examined and accepted at once.

Mrs. Lulu Mitchell and her daughter Thelma were Fresno visitors Saturday. W. P. Bullard and his son Ray are building a large barn on their Symson Flat ranch.

The school opened here and at Hopewell district today with a full attendance of scholars.

## Crow's Landing Has Oversubscribed Its Liberty Loan Quota

MODESTO, Sept. 25.—Crow's Landing, one of the smallest towns in Stanislaus county, has oversubscribed its quota for the fourth Liberty loan by \$1000, according to announcement made at a dinner meeting of 150 general committee members of the county at the Hotel Modesto last night. General Chairman F. L. Sherman presided, and representatives from various sections of the county told of plans for the sale and of undoubted success which awaited the addresses were made by George Perley, chairman of the exemption board; Henry G. Turner of the food administration, and by Judge W. H. Langdon, chairman of the county council of defense. The meeting closed with the toast, "No Peace Without Victory." Another dinner meeting for Modesto captains and lieutenants will be held at the Modesto Thursday night.

## EXETER TO HAVE SERVICE FLAG

EXETER, Sept. 25.—Horace J. Evans, secretary of the Board of Trade, has been compiling the names of the Exeter boys who are in the service of the United States. The Exeter county service flag which will soon be unfurled in the county seat and also for the city flag which Exeter hopes to have finished in the near future. There are 156 names of Exeter boys in the service. Exeter and Exeter are entering every war. Many of these boys are already overseas, and two of them, Charles Vincent and Edward Bergman, have already made the supreme sacrifice.

Word was received from Howard Soule this past week that he was now in Georgia, where he is in the quartermaster department. Mrs. Soule, who has been with her husband during the past few months has returned to Exeter where she will reside during the rest of his absence.

Albert J. Davis writes that he is now a first-class sergeant and delighted with his work. He is stationed at a plane base in France and for recreation is taking a great deal of interest in his home fat at baseball.

J. E. Jones has recently received a card from his son, John Jones, announcing the fact that he has arrived safely overseas.

Carnal Balaam will leave Thursday for Berkeley where he will enter the University of California after a year's leave of absence. He will be a member of the student body corps and a member of Uncle Sam's army.

Mrs. Clarence Wolfe, who has been in Exeter for the past ten days left for her home in Oakland on the evening train Monday. Mr. Wolfe will enter the army Wednesday at the Ordnance Department. He has been with Hunt Bros. for several years and is an experienced fruit man, and his duties in the army will be the inspection of fruits for the soldiers.

Mrs. Anna C. Houchey of Los Angeles was a business visitor to Exeter the first of the week.

Monroe Griggs and Will Wood are enjoying a hunt in the mountains back of Mineral King and are expected to return with a buck within a few days.

Mrs. Jackson has received a card from her son, John Jackson, this past week announcing the fact that he has arrived safely in England.

## RAINS RESULT IN HEAVY LOSS

RIVERBANK, Sept. 24.—Messrs. and Mesdames C. H. and S. S. Case motored through the Escalon and Modesto districts yesterday. The ranchers residing in the San Joaquin county, just north of here, report a heavy loss of hay by the recent rains. The loss of hay is estimated at \$100,000. The loss of hay is estimated at \$100,000. The loss of hay is estimated at \$100,000.

The Irwin Lumber company at Escalon, hay buyers, were the heaviest losers. The tomatoes grown on the Escalon ranch are the largest and finest that have been delivered at the Stockton cannery this season so reports the managers of this institution.

The Rev. C. H. pastor of the Methodist Episcopal church the past year, has been returned for another conference year at Riverbank. After attending the conference at Stockton Rev. Cutler made a trip to Ramsey and Guindis, where he preached Sunday. He was former pastor at these two churches.

Fred Pigozzi of the area squadron, in which he serves as mechanic, has arrived safely in France and is enjoying life. He has been in active service more than a year in the United States at one of the airship bases on the Atlantic.

Business is quite heavy again at the rip yards and is keeping everyone busy on the jump. The bridge and building yards are almost finished moving the offices and platforms out of the way of the two new tracks, a wash and a coach track that are to be put down. The ties for these tracks have already been unloaded in the yards.

The Santa Fe boys are happy at the shops over more back pay that they received this week.

W. A. Miller, foreman of the rip yards, has returned from the yards at Los Angeles, but is not yet able to assume his duties at the yards.

O. M. Flesher, machinist, has returned from a big convention lately held at Kansas City by the railroad employees. Mr. Flesher has received his appointment for next engineer and Boston. He expects to be called into service very shortly.

Wm. Hall, rancher, residing one mile north of here, is building a six-room summer bungalow on his ranch.

The Rev. Father Mather of the Catholic church has announced that a benefit concert for the church will be held at the Dreamland October 16. A moving picture show will be given in connection with the concert.

Riverbank has been visited by a number of airships from Mather field to date and some pretty flights have been witnessed.

## SCHOOL TO OPEN MONDAY

MALAGA, Sept. 25.—The Malaga schools will open Monday for the term, with a full corps of teachers.

R. F. Bressler and family of Fowler were visitors in Malaga on Sunday. Miss Bressler and Raymond will attend high school in Fresno this winter.

Miss Ruri and Roy Bricego gave a party last evening in honor of Wesley Varnell, who left for his naval post this morning of the ladies of the Red Cross auxiliary will be held at the home of Mrs. M. B. Stone on October 1.

## WHEN YOU WANT A TRUSS

Abdominal supporter go to Smith Bros. Drug Store. They are expert truss fitters and fit the hard to fit. Private fitting room.

**Dr. J. Allen Jackson**

**Painless Dentist**

**Give the Children the Right Chance at School**

**See That Their Teeth Are In Good Order**

No child can be expected to do his best at school if his teeth are constantly bothering him. Poor teeth cause nervousness, headache, dyspepsia, and your child should not be permitted to suffer from these ailments because his teeth have been neglected.

Bring the child here evenings after school or on Saturdays and let me examine the child's teeth. If they are in good shape I will tell you; if they need attention, my methods are modern and painless and the little ones will not suffer.

**My Prices Are Low**

**My Methods Are Painless**

You cannot get better dentistry than I will give you here, and you cannot find lower prices on such high grade work. Moreover, you need not fear pain, as modern methods, which are practiced here, eliminate pain. Come in for an estimate of your work whenever convenient. Appointments are unnecessary.

## Thirty Feet of Danger

The intestinal canal is an important part of every individual. Important every inch of its thirty feet.

The upper portion of it is intended for the digestion of food and absorption of its useful portions. But the lower part is concerned with the elimination of waste material.

It is, in other words, the great sewer of the body. The more food eaten, the greater the waste. If a sewer becomes clogged up, its contents stagnate and become more and more dangerous.

Constipation means more, than failure to evacuate the bowels regularly and thoroughly. It means stagnation, increased fermentation, putrefaction and germ action. Increased amounts of irritating and poisonous substances are formed. Absorption of these into the blood follows. Self-poisoning results.

Danger, disorder, disease, or even death follow. Pills, purgative mineral waters, castor oil, salts, etc., do not cure constipation or prevent its consequences. They make it worse because they do not only irritate the bowels, but they "wear out" in effect and so must be taken in increasing doses, making constipation a habit.

But the Nujol Treatment for Constipation overcomes constipation by helping Nature re-establish easy, daily, thorough bowel evacuation as "regular as clockwork."

Nujol prevents stagnation and self-poisoning.

Nujol forms no habit, except a natural, healthy habit.

After Nujol has trained the bowels to act, it can be dispensed with.

**Nujol for constipation**

**Nujol Laboratories**  
STANDARD OIL CO. (NEW JERSEY)  
50 Broadway, New York

**Warning:** Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. Insist on Nujol. You may suffer from substitutes.

"Regular as Clockwork"

## YOUNG WOMEN WANTED FOR TELEPHONE OPERATING

Young women desiring to obtain permanent employment at a good salary should investigate the many opportunities offered by positions now available in our operating department.

Telephone operating is interesting work and is particularly important at the present time. The working conditions are excellent and special provisions are made for the comfort of employees. Previous experience is not required and each employee is given a short course of training with pay.

Further information may be obtained and applications will be received at the office of the District Traffic Chief, second floor, 2028 Tulare St.

THE PACIFIC TELEPHONE AND TELEGRAPH CO.

## KIDNEYS WEAKENING? LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow then you, slowly but steadily, undermine your health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future sufferings begin treatment with GOLD MEDAL Harelem Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

# FIRST KENTUCKY FUTURITY WINNER, ORO WILKES, DESTROYED

Oro Wilkes, the first Kentucky Futurity winner, was destroyed at Miss Katherine L. Wilkes farm, near Oak, Ont., Canada, on September 8, as his days of usefulness were over. He was foaled at William Corbett's farm near San Mateo, Cal., in 1910, and was developed by John A. Goldsmith, whose skill in the study made the get of Guy Wilkes and his son, Sable Wilkes, famous. Oro Wilkes was got by the three-year-old champion, Sable Wilkes, out of Ellen Mayhew, 2:32, by Director, the first Charter Oak purse winner, and he also proved his sire's best representative on the turf.

It is almost like ancient history to recall the blue silk jacket of John Goldsmith and his first appearance on the eastern tracks with the San Mateo farm horses in 1909 when he won seven out of ten starts with the four-year-old filly, Muta Wilkes, and kept everyone busy in other races with Hazel Wilkes, Una Wilkes, Lena Wilkes, the Wilkes, Regal Wilkes, Ropes and the Sable Wilkes two year olds, Sable-dale and Oro Wilkes.

Oro Wilkes made his first start to a high wheel sulky at Sturgis, Mich., in a \$5000 event in which he was defeated by Marvin with Antella after winning a heat in 2:32. He won a race, however, later in the week in 2:30 from King Sultan and moved on to Chicago where he defeated Wilkes Maid and Tuscarora in 2:25 1-2. After being defeated by Silken at Independence, Oro Wilkes won to a blue sulky at St. Joseph, Mo., over Bobbitt in 2:21 1-2, and then appeared at Lexington, where he forced William Penn out in 3:18 1-2. This might also be referred to as the last year of "wild out" night harness racing. Prior to 1913 a number of cross road towns offered \$5000 events for yearlings, two and three year olds and many breeders entered liberally in them believing that it was a good ad for their horses. It was at Buffalo, N. Y., where he built a wife and family. After that date he started the colt against the aged horses and won with him at Springfield, New York, Philadelphia and Boston, where he also finished third in an event to Jay Hawker before shipping to Lexington to fill his engagement in the first Kentucky Futurity, which was then known as the stallion representative stake. In that race Oro Wilkes again met Marvin and defeated him as well as the first Medium colt Medley with which Dave Raybould won two heats before Goldsmith showed in front. A few days later Oro Wilkes was started in the Kentucky stake against Poline and was defeated in 2:15 3-4. The Antero filly racing him almost to a standstill in the first heat of the event. She was the best three-year-old of her year.

### INFLUENZA STOPS NAVAL ATHLETICS

GREAT LAKES, Ill., Sept. 25.—Because of the epidemic of Spanish influenza, athletics at the Great Lakes naval training station came to a sudden but temporary halt today. Captain William A. Moffett, the commandant, ordered the final game of the baseball series between Great Lakes and Norfolk called off. Football practice also will be curtailed but the team will be permitted to make the trip to Iowa City, Iowa, next Saturday to play Iowa University.

### Commission Takes Over Boxing Game

TOLEDO, Ohio, Sept. 25.—The city boxing commission, under Mayor Cornelius Schreiber, took over the boxing game as a war time measure, at a meeting held today. The action means that private promotion has been abolished for the period of the war and all profits will go into a fund to aid women and children whose husbands and fathers are in the war.

### POSTPONE BASEBALL MEETING

CLEVELAND, Sept. 25.—The meeting of the executive board of the National Baseball Federation, which was scheduled to be held here today was postponed until tomorrow because of the inability of some members to arrive.

### SEAPLANE HITS FIGHTING U-BOAT

LONDON, Tuesday, Sept. 24.—The first case in which it is known that a submarine fought back when attacked by a seaplane resulted in the probable destruction of the submarine by an American aviator, Ensign J. Y. Carson, it was announced today by the admiralty.

With shrapnel from the elevated forward gun of the submarine bursting around his seaplane, Ensign Carson maneuvered until he was able to pour machine gun fire into the submarine and then into the crew. The submarine was sighted diving, and as she was diving two bombs were dropped on her. Within a few minutes the bow of the U-boat appeared on the surface and remained visible for four minutes. More bombs were dropped in this interval, and it is believed that the undersea craft was either badly damaged or destroyed.

Ensign Carson's machine, with two others, was on patrol when the submarine was sighted on the surface and the ensign made for her. As he was getting into position to use his machine gun or to bomb the undersea boat, the German fired five shrapnel shells, three of which burst close to the seaplane, doing it some damage. The other seaplane did not take part in the attack.

Ensign Carson remained over the spot for fifteen or twenty minutes, but the U-boat was no longer in evidence.

WASHINGTON, Sept. 25.—Appointment of Henry Thurtell, of Nevada, as chief examiner of the Interstate Commerce Commission, was announced today by the commission.

FRESNO BOWLING AUDITORIUM For Ladies and Gentlemen TUOLUMNE AND EYE STREETS

### PERSHING DEPLORES Y. M. C. A. ENLISTING

NEW YORK, Sept. 25.—Widespread voluntary enlistments of Y. M. C. A. workers in France at this time would seriously interfere with the organization's work in the army in the opinion of General Pershing, who has written to E. C. Carter, head of the Y. M. C. A. overseas forces, to that effect.

"I suggest the following arrangement," said General Pershing in his communication to Mr. Carter, made public here today.

Of the men from 25 to 45 years of age enlisted in the work, those assigned to class one should leave the service of the Y. M. C. A. as soon as you can replace them. Those assigned to deferred classes should continue in the service until called for military service or until transferred to class one. Hereafter the Y. M. C. A. should recruit no men between 25 and 45 years of age who are assigned or likely to be assigned to class one. It should, however, recruit men of these ages who are assigned or likely to be assigned to deferred classes with the understanding that they are liable to service whenever called.

### SPAIN SLOW TO EXPRESS FEELING

MADRID, Sept. 25.—(By The Associated Press.)—The Spanish government has not yet made any statement concerning the receipt of President Wilson's recent note urging Allied and neutral governments to take action in condemnation of the massacres in Russia.

According to information obtained in reliable sources, however, Spain is ready to assist in any action having to do with the establishment of order in Russia as its objective, as King Alfonso and the Spanish government are greatly interested in the future of that country, while Spanish capitalists hold \$20,000,000 pesos of the Russian debt.

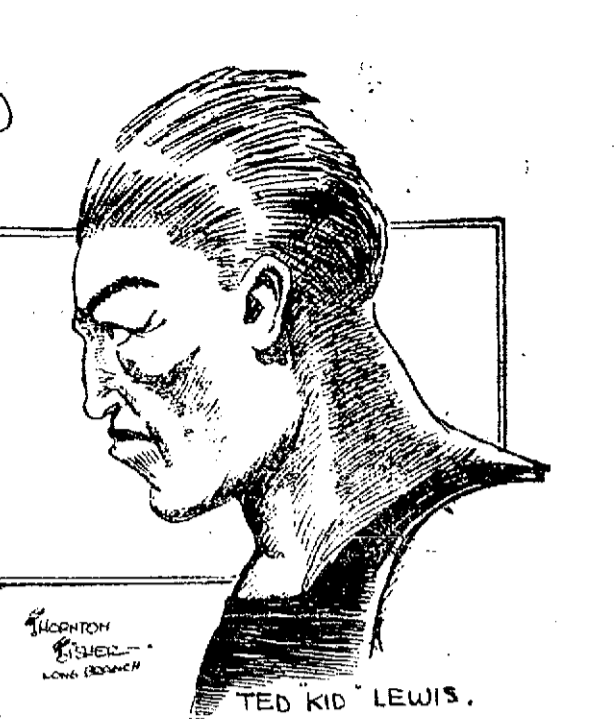

### VIGILANTES URGE EFFECTIVE WAR

NEW YORK, Sept. 25.—The Vigilantes, an organization composed of many of the most prominent authors in the country, issued an appeal tonight to editors, writers and citizens to mobilize public opinion in favor of an authoritative statement that the war aim of the United States is the extermination of the militaristic autocracy of Germany.

"We believe that the war aim of the American people, distinguished from peace terms," said the appeal, "is to procure the safety of civilization by destroying the militaristic autocracy of Germany."

### EVIDENCE TO SHOW WOOD TOOK BRIBE

SAN FRANCISCO, Sept. 25.—While two concealed government operatives listened and a telephone device silently recorded his words, James A. Wood, former assistant Federal food administrator for Nevada, accepted a \$100 bribe in marked bills and promised discrimination in favor of an Elko, Nev., flour mill, of which W. W. Percival is president, according to Percival's testimony at the opening of Wood's trial before United States District Judge M. T. Dooling here today.

Wood, who was not called to the stand today, said at the preliminary examination that he had made the agreement in an effort to trap Percival.

Percival identified a telegram as a code message from Wood asking him to meet Wood at Reno May 4. Later Wood came to San Francisco, where, according to Percival, \$100 was paid Wood by A. J. Lowell, a director in the Elko mill, and himself. Wood, Percival said, told him that he (Wood) had the Nevada flour situation in the palm of his hand and suggested he could get a reduction of a \$1,000 fine imposed on Percival's mill for violation of food rules and limit the Nevada district to flour from Percival's mill.

"What is your price?" Lowell asked Wood. Percival said.

"Five hundred dollars a month in advance," was the alleged reply of Wood.

LONDON, Sept. 25.—Lieutenant Commander Richard F. McCullough, U. S. N., commanding the converted yacht Caydonia, has been commended by the British admiralty for destroying the submarine which attacked a convoy and sank a vessel between Algeria and the Balearic islands.

## CLOTHES TREES TO SHED GARMENTS FOR BELGIANS

"Garden of Sun" Has Good Crop for Unfortunate Overseas

Crop, Like Persimmons Needs Frost to Quicken Falling

Fresno, as the Garden of the Sun, has as many warm-hearted dwellers, as a place of that description should have, and there has been proof that an orchard of clothes trees, is following the fall custom of dedicating growth, for into the packing boxes at the Red Cross headquarters for Belgian Relief in the Cory building is drifting this autumn harvest of things material, and a reflection of the kindly spirit attending.

Clothes there were donated, probably not in the quantity that is desired for the early days of the week's drive, but some of a quality that would make glad the heart of any Belgian.

One lady, whose sympathies were aroused, confessed that she had no used clothing to send over seas, but the idea of helping ladies being equipped to resist the bitter winter cold, so affected her that she went down and purchased her contribution, a half dozen lovely soft wool shirts and a half dozen pairs of wool stockings.

There are heaps of wearing apparel in Fresno, stored away against the day when certain styles will return, or a rainy day may make necessary economies in the clothes line. And from this store Fresno people, with blessed optimism are forgetting, the possibilities and bringing forth nice warm clothes. The committee want everything donated as nearly in the pink of condition as possible, for in addition to the good that is to be done by the donations, there is also a certain reflection of the sort of people from whom these donations come.

In order that a high standard may be retained, the Johnson Cleaning Works, and the Boss Dye Works yesterday called at the central depot, and offered to clean any garments, not in condition, and also the American Steam Laundry, sent over for any washable things, which they will freshen up for the stricken refugees.

C. H. Cobb assisted in assembling the garments at the central depot, sending out for several truck loads at the substations at the schools and fire engine houses.

The Lowell school distinguished itself with some very nice donations.

And so the contributions promise to be a most heartening collection of warm, clean things. The only worry

## Arrivals Overseas

FRESNO FIGHTERS ABROAD.

Upper row, left to right, Sanford R. Blakely, M. E. Foster, Wesley P. Clark. Lower row, Johnson Mustain, Dan Soranno, Grover Jensen.

Recent arrivals overseas with American forces include Sanford R. Blakely, son of Mr. and Mrs. Jesse Blakely, 217 S. street, who is in the navy. Blakely joined the naval reserves and was called to San Pedro last February. After training periods at two stations, he crossed in August. He now has the rating of machinist's mate and is of a submarine chaser.

Mrs. Dan Soranno of Fresno, has just received word of the safe arrival of her husband, overseas. He is with the 15th Supply Train and left from Camp Kearny last June. Soranno was a carpenter and contractor in Fresno.

Johnson Mustain, with the machine gun company of the 350th Infantry, has arrived safely in England, according to word just received by his parents, Mr. and Mrs. J. C. Mustain, 1420 Wilson avenue. He served his training period at Camp Dodge, Iowa. He was employed by the Western Meat Company in Fresno.

Mrs. C. C. Jensen, 1051 Wilson avenue, has received word of the safe arrival overseas of her son, Grover Jensen. He enlisted on December 12, 1918, and is in the 6th Coast Artillery. He was stationed at the Presidio, San Francisco, before leaving for the front.

Just a few weeks after he entered the army, Wesley P. Clark, son of Mr. and Mrs. W. A. Clark, 970 Perger avenue, set foot on French soil as a member of the 137th company, 115th sanitary train. He left from Camp Kearny.

Another member of the American Expeditionary Forces in France is M. E. Foster, son of Mr. and Mrs. J. E. Foster of Dunlap. He went overseas with Company C, Second Machine Gun Battalion and has been in action.

## DRAFTED MEN BEGIN WAR TRAINING TONIGHT

Mass Meeting of All Ages at Auditorium Begins at 8 o'Clock

U. S. and State Officers and Defense Council Sponsor Preparation

Draft men of Fresno are expected by the hundreds at the municipal auditorium tonight to begin training for service in the national army. Especially are the men in the drafts to be called soon expected to turn out in a body. The State Council of Defense has made it possible for all the men to get the rudiments of military training here and to prepare for the strenuous training to come in the cantonments and on foreign battlefields. A little drill now will go a long way toward making good soldiers out of the men and will give them that self-confidence that will make better soldiers of them in camp and in battle, according to recommendations of Provost Marshal Crowder and General Borger.

Proctor, the master earned by the men who get an early start learning the arts of war, according to Captain S. L. Gallaher of the National Guard, who has been commissioned by General Borger to take general charge of the training. All men who take the training will be given a certificate giving them credit for drill performed.

Organization will be effected tonight. The local men will be formed into companies or classes and the captains appointed. The training will be given a certificate giving them credit for drill performed.

Defense Heads Coming. P. A. Hanna, district chairman of the Council of Defense, has sent special invitations to mayors of Coalinga, Selma, Kingsburg, Sanger, Reedley and Clovis to send representatives. He and other members of the council will attend the draft men's mass meeting.

Carl E. Lindsay will make a brief patriotic speech. The meeting will begin at 8 o'clock. The men are asked to report as promptly as possible. In order that classification can be facilitated.

Many trained men are volunteering their services as instructors, and joining in to brush up on their previous training. The beginners will have the advantage of drilling in squads with men who have seen service, and the attendance of men in the younger classes and the 32 to 36 classes especially is expected to be practically unanimous.

"No Red Tape." "There will be no red tape. Just come and drill," said Captain Gallaher last night. "We are going to do what we can to save the Fresno boys from the awkward squads, and to give them a good start. To drill now is a real service to the man and to the sum."

Among those who have volunteered their services to assist Captain Gallaher are Major Ed. Jones of the Home Guards, Lieutenant Fernand Deloy of the National Guard, E. J. Crawford, formerly teacher of military tactics, recently discharged following a physical test after several months' work at the officers' training camp; J. F. Penney, formerly sergeant; C. C. White of Clovis; Lieutenant A. G. Graham of the Home Guards; Captain C. B. Jackson and others. Classes will be organized to meet on Tuesdays, Wednesdays and Thursdays, and probably other days. The overflow will be sent to the armory for drill. Companies will be organized in the other principal cities of the county.

Another member of the American Expeditionary Forces in France is M. E. Foster, son of Mr. and Mrs. J. E. Foster of Dunlap. He went overseas with Company C, Second Machine Gun Battalion and has been in action.

## BODY OF H. GRAFF IS BROUGHT HOME

Arrives From S. F. on 11:20 Train—Funeral Plans Unannounced

The body of Hans Graff arrived from San Francisco last night and was taken to the family home, 935 Divisadero.

Funeral announcement will be made today.

Traffic Men Express Sorrow

At a special meeting of the executive committee of the Fresno Traffic Association held today for the purpose of taking some suitable action upon the untimely death of our fellow director and treasurer, H. Graff, the following resolution was unanimously passed:

That we deeply deplore the demise of this public spirited and upright citizen and director of our association, with which he was identified from its very inception. We have been deprived of a fellow counselor whose uprightness, unselfish public deeds and integrity of character was recognized by the whole community; and whose sterling qualities especially endeared him to his fellow directors. His untimely death will leave a void, which it will be hard to fill and his memory will ever remain with us as a cherished one.

It was further resolved, that our deepest sympathy is extended to his family in the hour of their great bereavement and a copy of this resolution be sent to them as well as to be published in our minutes.

LOUIS GUNDELINGER,  
W. H. PETERSON,  
W. H. HOLLAND,  
ROY HALL,  
FRANK M. HILL, Sec.  
Executive Committee.

Fresno, Cal., Sept. 25, 1918.

The Commercial Club has adopted the following resolutions of sympathy for the family of H. Graff, who died Tuesday.

Whereas, it has pleased the Almighty to remove from our midst by death, our esteemed friend and fellow citizen H. Graff, who has for many years occupied a prominent rank in our midst, maintaining under all circumstances a character untarnished, and a reputation above reproach.

Therefore, resolved, that in the death of Mr. Graff we have sustained the loss of a friend whose fellowship it was an honor and a pleasure to enjoy, that we bear willing testimony to his many virtues, to his unquestioned probity and sterling life, that we offer to his bereaved family and mourning friends, over whom sorrow has hung her subtle mantle, our heartfelt condolence and pray that infinite goodness may bring speedy relief to their burdened hearts and inspire them with the consolations that hope in futurity and faith in God give even in the shadow of the tomb.

Resolved that a copy of these resolutions be sent to the family of our deceased friend.

Resolved that a copy of these resolutions be sent to the family of our deceased friend.

Resolved that a copy of these resolutions be sent to the family of our deceased friend.

Resolved that a copy of these resolutions be sent to the family of our deceased friend.

## TRAIN YOUR HAIR AS AN ACTRESS DOES

No class of people devotes as much time to beauty as do actresses, and no class must be more careful to retain and develop their charms. Inquiry develops the information that to have their hair find it dangerous to shampoo with any makeshift hair cleanser. The majority say that to have the best hair wash and scalp stimulator at a cost of about three cents, one need only get a package of Canthrox from your druggist, dissolve a teaspoonful in a cup of hot water and your shampoo is ready. This makes enough shampoo liquid to apply to all the hair instead of just the top of the head. After its use the hair dries rapidly, with uniform color. Band-draft, excess oil and dirt are quickly dissolved and entirely disappear when you rinse the hair. After this your hair will be so fluffy it will look much heavier than it is. Its luster and softness will delight you, while the stimulated scalp gains the health which insures hair growth.
